TECHNOLOGY ISN'T THE REAL CHALLENGE

VS.

THE VALUE OF EXPERT PARTNERS

- The need for expert advice in cybersecurity mirrors that same need in financial advising
- Cloud and Cybersecurity are in-demand resources
- A single-vendor solution is a significant risk

LESSONS LEARNED

- START WITH SECURITY AS A FIRST PRIORITY
- WORK WITH TRUSTED ADVISORS
- TRUST, BUT VERIFY

ONGOING CONCERNS

- STAFF TRAINING AND CERTIFICATIONS FOR CYBERSECURITY AND CLOUD OPERATIONS
- LOGGING AND STORAGE OF LOGS
- EVER-GROWING CLOUD SECURITY PRODUCTS AND SERVICES TO COUNTER EMERGING THREATS
