Fluxlight Product Description	DIR Customer Discount % off MSRP
Optical transceivers, AOCs, and DACs for all 3Com compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Accedian compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Adtran compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Adva compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Alcatel-Lucent compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Allied Telesis compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Allnet compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Anue compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Arista compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Aruba compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Avago compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Avaya-Nortel compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Brocade-Foundry compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Calix compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Checkpoint compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Ciena compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Cisco compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Citrix compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Dell compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Dell-Force10 compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Dell-EMC compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Delta compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all D-Link compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Edge-corE compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Enterasys compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Extreme Networks compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all F5 Networks compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Fiberxon compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Finisar compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Force10 compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Fortinet compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Fujitsu compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Gigamon compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all H3C compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all HP compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Huawei compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all IBM compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all IMC Networks compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Intel compatible network equipment	67.00%

Optical transceivers, AOCs, and DACs for all JDSU compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Juniper compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all LG-Ericsson compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Linksys compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all McData compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Mellanox compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Meraki compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all MRV compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Myricom compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Napatech compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Netgear compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all NetOptics compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all NetScout compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Nortel Networks compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all N-Tron compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Opnext compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Palo Alto Networks compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Qlogic compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Rad compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Raptor Networks compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Redback compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Riverstone compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all RuggedCom compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all SafeNet compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Sixnet compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all SMC compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Sonicwall compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Sun compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Telco Systems compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all TRENDnet compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Voltaire compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all VSS Monitoring compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all WatchGuard compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all Zhone compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all ZTE compatible network equipment	67.00%
Optical transceivers, AOCs, and DACs for all ZyXEL compatible network equipment	67.00%
Fluxlight Multimode (OM1, OM3, OM4) and Singlemode (OS2) fiber patch cables	67.00%
