1. Contract, Section 2. Term of Contract, is hereby amended as follows:

DIR and Vendor hereby agree to extend the term of the Contract for one (1) year through March 15, 2019, or until terminated pursuant to the termination clauses contained in the Contract. Prior to expiration of the term, the contract will renew automatically in one-year increments for two (2) additional years under the same terms and conditions unless either party provides notice to the other party 60 days in advance of the renewal date stating that the party wishes to discuss modification of terms or not renew. Additionally, the parties by mutual agreement may extend the term for up to ninety (90) additional calendar days.

3. Contract, 7. Software License and Service Agreements, B. Conflicting or Additional Terms is hereby restated in its entirety as follows:

B. Conflicting or Additional Terms

In the event that conflicting or additional terms in Vendor Software License Agreements, Shrink/Click Wrap License Agreements, Service Agreements or linked or supplemental documents amend or diminish the rights of DIR Customers or the State, such conflicting or additional terms shall not take precedence over the terms of this Contract.

In the event of a conflict, any linked documents may not take precedence over the printed or referenced documents comprising this contract; provided further that any update to such linked documents shall only apply to purchases or leases of the associated Vendor product or service offering after the effective date of the update; and, provided further, that, if Vendor has responded to a solicitation or request for pricing, no update of such linked documents on or after the initial date of Vendor's initial response shall apply to that purchase unless Vendor directly informs Customer of the update before the purchase is consummated.

In the event that different or additional terms or conditions would otherwise result from accessing a linked document, agreement to said linked document shall not be effective until reviewed and approved in writing by Customer's authorized signatory.

Vendor shall not without prior written agreement from Customer's authorized signatory, require any document that: 1) diminishes the rights, benefits, or protections of the Customer, or that alters the definitions, measurements, or method for determining any authorized rights, benefits, or protections of the Customer; or 2) imposes additional costs, burdens, or obligations upon Customer, or that alters the definitions, measurements, or method for determining any authorized costs, burdens, or obligations upon Customer.

If Vendor attempts to do any of the foregoing, the prohibited documents will be void and inapplicable to the contract between DIR and Vendor or Vendor and Customer, and Vendor will nonetheless be obligated to perform the contract without regard to the prohibited documents, unless Customer elects instead to terminate the contract, which in such case may be identified as a termination for cause against Vendor.

The foregoing requirements apply to all contracts, including, but not limited to, contracts between Customer and a reseller who attempts to pass through documents and obligations from its Manufacturer of Publisher.

4. Appendix A. Standard Terms and Conditions for Product and Related Services Contracts is hereby restated in its entirety and replaced with the Attached Appendix A, Standard Terms and Conditions for Product and Related Services dated 09/29/17 except where previous authorized exceptions to Appendix A were allowed and documented as part of the Contract. In such cases, the previously authorized exceptions shall be applied

to the portions of the new Appendix A which are comparable to those in the earlier Appendix A for which they were written, and this without regard for the numbering or lettering associated with any of the documents. Applied in such manner, the exceptions shall remain in full force and effect until such time the contract expires or is terminated.

All other terms and conditions of the Contract as amended, not specifically modified herein, shall remain in full force and effect. In the event of conflict among the provisions, the order of precedence shall be this Amendment Number 1, then the Contract.
