3. Contract, Section 7. Software License Agreement, B. Conflicting or Additional Terms is hereby restated in its entirety as follows:

B. Conflicting or Additional Terms

In the event that conflicting or additional terms in Vendor Software License Agreements, Shrink/Click Wrap License Agreements, Service Agreements or linked or supplemental documents amend or diminish the rights of DIR Customers or the State, such conflicting or additional terms shall not take precedence over the terms of this Contract.

In the event of a conflict, any linked documents may not take precedence over the printed or referenced documents comprising this contract; provided further that any update to such linked documents shall only apply to purchases or leases of the associated Vendor product or service offering after the effective date of the update; and, provided further, that, if Vendor has responded to a solicitation or request for pricing, no update of such linked documents on or after the initial date of Vendor's initial response shall apply to that purchase unless Vendor directly informs Customer of the update before the purchase is consummated.

In the event that different or additional terms or conditions would otherwise result from accessing a linked document, agreement to said linked document shall not be effective until reviewed and approved in writing by Customer's authorized signatory.

Vendor shall not without prior written agreement from Customer's authorized signatory, require any document that: 1) diminishes the rights, benefits, or protections of the Customer, or that alters the definitions, measurements, or method for determining any authorized rights, benefits, or protections of the Customer; or 2) imposes additional costs, burdens, or obligations upon Customer, or that alters the definitions, measurements, or method for determining any authorized costs, burdens, or obligations upon Customer.

If Vendor attempts to do any of the foregoing, the prohibited documents will be void and inapplicable to the contract between DIR and Vendor or Vendor and Customer, and Vendor will nonetheless be obligated to perform the contract without regard to the

prohibited documents, unless Customer elects instead to terminate the contract, which in such case may be identified as a termination for cause against Vendor.

The foregoing requirements apply to all contracts, including, but not limited to, contracts between Customer and a reseller who attempts to pass through documents and obligations from its Manufacturer or Publisher.

4. Appendix A. Standard Terms and Conditions for Products and Related Services Contracts is hereby restated in its entirety and replaced with the Attached Appendix A, Standard Terms and Conditions for Services dated 09/29/17 except where previous authorized exceptions to Appendix A were allowed and documented as part of the Contract. In such cases, the previously authorized exceptions shall be applied to the portions of the new Appendix A which are comparable to those in the earlier Appendix A for which they were written, and this without regard for the numbering or lettering associated with any of the documents. Applied in such manner, the exceptions shall remain in full force and effect until such time the contract expires or is terminated.

5. Authorized Exceptions to Appendix A, Standard Terms and Conditions for Product and Related Services Contracts, previously authorized exceptions are hereby amended as follows:

A. Appendix A, Section 5. Intellectual Property Matters, is hereby deleted and replaced in its entirety as follows:

5. Intellectual Property Matters

This contract does not contemplate, authorize or support acquisition of custom software products or services. If Vendor and Customer seek to contract for such product or service, they must use a separate contract or seek amendment with DIR of this contract. If DIR and Vendor decide to authorize customized software or hardware products; then the intellectual property language will be negotiated and applied.

B. Appendix A, Section 10. Vendor Responsibilities, K. Limitation of Liability is hereby deleted and replaced in its entirety as follows:

K. Limitation of Liability

For any claims or cause of action arising under or related to the Contract: i) to the extent permitted by the Constitution and the laws of the State, none of the parties shall be liable to the other for punitive, special, or consequential damages, even if it is advised of the possibility of such damages; and ii) Vendor's liability for damages of any kind to the Customer shall be limited to the total amount paid to Vendor under the Contract during the twelve months immediately preceding the accrual of the claim or cause of action. However, this limitation of Vendor's liability shall not apply

to claims of bodily injury; violation of intellectual property rights including but not limited to patent, trademark, or copyright infringement; indemnification requirements under this Contract; and violation of State or Federal law including but not limited to disclosures of confidential information and any penalty of any kind lawfully assessed as a result of such violation.

All other terms and conditions of the Contract, not specifically modified herein, shall remain in full force and effect. DIR retains the right to require further amendment to the Contract to update its terms and conditions as may be reasonable, necessary or required. In the event of conflict among the provisions, the order of precedence shall be Amendment Number 1, and then the Contract.
