**7. Software License, Service and Leasing Agreements****A. Software License Agreement**

1) Customers acquiring software licenses under the Contract shall hold, use and operate such software subject to compliance with the Annual Maintenance and Support Agreement set forth in Appendix F of this Contract. No changes to the Annual Maintenance and Support Agreement terms and conditions may be made unless previously agreed to between Vendor and DIR. Customers may not add, delete or alter any of the language in Appendix F; provided however, that a Customer and Vendor may agree to additional terms and conditions that do not diminish a term or condition in the Annual Maintenance and Support Agreement, or in any manner lessen the rights or protections of Customer or the responsibilities or liabilities of Vendor. Order Fulfiler shall make the Annual Maintenance and Support Agreement terms and conditions available to all Customers at all times.

2) Compliance with the Annual Maintenance and Support Agreement is the responsibility of the Customer. **C. Service Agreement**

Services provided under this Contract shall be in accordance with the Annual Hosting Agreement as set forth in Appendix E of this Contract. No changes to the Annual Hosting Agreement terms and conditions may be made unless previously agreed to by Vendor and DIR.

**D. Conflicting or Additional Terms**

In the event that conflicting or additional terms in Vendor Software License Agreements, Shrink/Click Wrap License Agreements, Service Agreements or linked or supplemental documents amend or diminish the rights of DIR Customers or the State, such conflicting or additional terms shall not take precedence over the terms of this Contract.

In the event of a conflict, any linked documents may not take precedence over the printed or referenced documents comprising this contract; provided further that any update to such linked documents shall only apply to purchases or leases of the associated Vendor product or service offering after the effective date of the update; and, provided further, that, if Vendor has responded to a solicitation or request for pricing, no update of such linked documents on or after the initial date of Vendor's initial response shall apply to that purchase unless Vendor directly informs Customer of the update before the purchase is consummated.

In the event that different or additional terms or conditions would otherwise result from accessing a linked document, agreement to said linked document shall not be effective until reviewed and approved in writing by Customer's authorized signatory.

Vendor shall not [without prior written agreement from Customer's authorized signatory,] require any document that: 1) diminishes the rights, benefits, or protections of the Customer, or that alters the definitions, measurements, or method for determining any authorized rights, benefits, or protections of the Customer; or 2) imposes additional costs, burdens, or obligations upon Customer, or that alters the definitions, measurements, or method for determining any authorized costs, burdens, or obligations upon Customer.

If Vendor attempts to do any of the foregoing, the prohibited documents will be void and inapplicable to the contract between DIR and Vendor or Vendor and Customer, and Vendor will nonetheless be obligated to perform the contract without regard to the prohibited documents, unless Customer elects instead to terminate the contract, which in such case may be identified as a termination for cause against Vendor.

The foregoing requirements apply to all contracts, including, but not limited to, contracts between Customer and a reseller who attempts to pass through documents and obligations from its Manufacturer or Publisher.
