(a) Subject to the terms and conditions of DIR Contract No. DIR-TSO-4071 and this Agreement and upon Your payment of the applicable license fee (the “License Fee”) and receipt of the appropriate acknowledgment from Tenable, Tenable grants to You for the License Term (as defined below) a non-exclusive, non-transferable license in object code form only to use the Software solely for Your internal operations and internal security Purpose. Your right to use the Software will start on the date on the invoice produced from an accepted purchase order (the “Order Date”), and is limited to the term stated on Tenable’s invoice issued in response to an accepted purchase order (the “License Term”). Your right to install the Software is limited to use with the computers or machines for which the Software is registered for use. If You are a partner to whom a “Not For Resale” or “NFR” license has been granted, Your right to use the NFR Software will terminate automatically when Your Partner Agreement is terminated. Any rights in Software not granted in this Agreement are expressly reserved by Tenable.

(b) Definition of Software.

(1) The term “Software” means (1) each Licensed Product that You download from any Tenable website, or obtain via CD or any other method; (2) any individual program (“Agents and/or Clients”) or script used to analyze for and/or identify specific security events or used to correlate events owned by Tenable; (3) the associated user manuals and user documentation, if any, as well as any patches, updates, improvements, additions, enhancements and other modifications or revised versions of the Licensed Product, and associated Plug-Ins and Agents and/or Clients that may be provided to You by Tenable from time to time; and (4) any command line interfaces, and/or any graphical user interfaces You obtain from Tenable;

(2) The Software may include code or other intellectual property provided to Tenable by third parties, including Plug-Ins that are not owned by Tenable, (collectively, “Third Party Components”). Any Third Party Component that is not marked as copyrighted by Tenable is subject to other license terms that are specified in the documentation available on Tenable’s website (http://static.tenable.com/prod_docs/Tenable_License_Declarations.pdf or a successor location). Any provision found to be in conflict with the terms of DIR Contract No. DIR-TSO-4071 shall be deemed null and void. By using the Software, You hereby agree to be bound by such other license terms as specified in the documentation.

(c) If You have licensed a lab license, You are entitled to use a separate installation for the Licensed Product, provided that usage of such Licensed Product is strictly limited to a lab environment only. Such Licensed Products are not licensed for, and may not be used in, a production environment, or in conjunction with products used in a production environment.

(d) If You are accessing any Licensed Product in an evaluation capacity: (i) You have no obligation to make payment for such Licensed Product for such evaluation usage; (ii) the License Term will expire at the end of the agreed upon evaluation period, at which
time You must either return or destroy the evaluated Licensed Product; and (iii) Tenable will provide support only as mutually agreed by the parties. This Section 2(d) will take precedence over any directly contradictory language in this Agreement as it relates to an evaluation of any Licensed Product.

(e) Appliance Specific Terms.

The term “Appliance” means the physical appliance in which the Software is embedded, if You have purchased such an appliance from Tenable. Tenable will ship the Appliances in accordance Appendix A, Section 8D of DIR Contract No. DIR-TSO-4071. Tenable has no obligation to unpack and install the Appliance.

(a) Tenable may agree with you to provide start-up services (the “QuickStart Services”), security technical services (the “Security Technical Services”) and/or training courses and certification testing (the “Training Services”), each as scoped and defined in a separate Statement of Work (collectively, the “Services”). Incidental to Services, Tenable may provide slides, documents, examples, and other materials (the “Materials”) for use in conjunction with the Software and Services. Subject to payment in full for the applicable Services and Materials, Tenable grants You a non-exclusive, non-transferable right to use the Services and Materials for Your internal use and solely in conjunction with the Software. If You or Your designated attendees (“Attendees”) do not attend a scheduled training session without properly rescheduling, payment for such Training Services is forfeited. For on demand Training and exams, You must use the Training Services during the defined period in which the access code is valid. You may substitute different individuals for scheduled Attendees provided Tenable is properly notified at least three (3) business days in advance. Tenable is not obligated to provide any services except as mutually agreed in an executed Statement of Work. Except as otherwise agreed to by the parties in writing, all executed Statements of Work will be governed by DIR Contract No. DIR-TSO-4071 and this Agreement.

(b) For Services occurring on Your site, Tenable agrees to comply with Your reasonable security procedures provided You inform Tenable of such procedures in advance. Some of the Services may require You to have specialized knowledge or meet particular software or hardware requirements (for example, appropriate computers or appliances, stable Internet connection, verification of network communication paths, receipt of applicable software license keys, up-to-date web browser, operating system, etc.). In order to use the Software or receive Services, You shall be required to meet or exceed the specifications found in the Tenable General Requirements document, available at http://static.tenable.com/prod_docs/Tenable_General_Requirements.pdf or a successor location. You are responsible for assessing the suitability of the Services. Tenable will not provide any refund based on a failure to meet prerequisites. If technical issues arise during the Services, Tenable will use commercially reasonable efforts to resolve such problems, but will have no liability based on Your failure to meet technical requirements.

(c) You may request a change in the scheduled date of Services, if You give Tenable sufficient notice. You will not receive a refund if You attempt to cancel Services but can request a change as described herein.

(d) The Services will be deemed satisfactory and accepted by You unless within ten (10) calendar days after the Services have been performed, You give Tenable written notice of the respects in which the results do not conform to the applicable requirements. Upon confirmation by Tenable of inadequacy of the Services, Tenable’s entire liability and Your exclusive remedy will be for Tenable to use its reasonable efforts to re-perform the Services within a reasonable period of time; provided that if Tenable is unable to re-perform the Services, Tenable may elect to refund all payments actually received by Tenable from You for the particular Services deemed unacceptable, in full satisfaction of Tenable’s obligations.

4. Term.

This Agreement commences on the date on which the parties execute this Agreement or You download, install or use the Software (whichever occurs first) (the “Effective Date”) and continues for a twelve (12) month period unless it is terminated according to the terms of Appendix A, Section11B of DIR Contract No. DIR-TSO-4071. Your right to use the Licensed Product will terminate at the end of the applicable License Term or upon termination of this Agreement. So long as Tenable is offering licenses of the Licensed Product and this Agreement has not been terminated, You will have three (3) one (1) year renewal options exercised by Customer providing Vendor thirty days written notice prior to the then-expiration date. Fees will be in accordance to Appendix C of DIR Contract No. DIR-TSO-4071.

5. Maintenance.

(a) Subscription Software. If you are licensing the Software on a subscription basis, Tenable will provide the Support Services at no additional charge
beyond Your License Fee for the duration of the Term. If You license the Software on a subscription basis, the Maintenance Term (as defined below) will be coterminous with Your License Term.

(b) Term Software. If You are licensing the Software on a term basis, upon Your payment of the applicable annual support and maintenance fee (the “Support Fee”), starting on the Order Date, Tenable will supply You for the maintenance period described on the invoice issued to You (the “Maintenance Term”) with the Support Services described herein.

(c) Services. If You are eligible to receive Support Services, Tenable shall supply you with reasonable telephone and email support 24 hours a day, 7 days a week, for the Software and will make available to You on Tenable’s web site any bug fixes, updates or enhancements that Tenable makes generally available to licensees of the Software (collectively, the “Support Services”). While Tenable is offering Support Services for the Software, Tenable will continue to supply You with the Support Services for subsequent periods upon payment in advance of the Support Fee for each such period. The Support Services shall include the provision to You of new minor (Example: 1.1.x to 1.2.x, etc.) and major version releases of the Software (Example: 1.x to 2.x, etc.).

(1) Appliance Support. If Tenable, after receiving a request for Support Services, determines that an error in the functionality of the Appliance is not caused by a Software problem, Tenable will turn the request over to its authorized hardware support vendor in accordance with the applicable support plan. Your further support for such error will be directed by such hardware support vendor. To provide hardware Support Services and resolve Appliance warranty issues through its return to depot service, Tenable may require information applicable to the specific Appliance, including model and serial number, problem description, troubleshooting performed on-site, and shipping address for replacement. In the case of a dead-on-arrival Appliance in the first thirty (30) days after shipment, You must return the defective Appliance within ten (10) calendar days of receipt of a replacement Appliance, complete with the defective Appliance’s original packaging and documentation. Upon receipt of a “Return Material Authorization” or “RMA” approval from Tenable, You may return defective units to Tenable for repair. All returns covered under the terms of the return to depot program must be returned freight pre-paid to Tenable’s designated repair facility, except during the first year when Tenable will cover standard (2 day ground) shipping costs. In addition, changes to Appliances may incur additional costs for re-imaging, re-configuration, addition or subtracting components or changes to packaging and documentation. In no event will Tenable be responsible for normal wear and tear of the Appliance or any Appliances that have been subject to misuse, unauthorized modification, neglect, improper testing or installation, attempts to repair, accident, flood, fire, radiation or other hazard. Renewal Fees. After the initial Maintenance Term, any renewal of annual Support Fees (for perpetual licenses) or License Fees (for subscription licenses) shall be at Tenable’s then-current pricing at time of renewal in accordance with Appendix C of DIR Contract No. DIR-TSO-4071. If during the course of a term license You terminate or fail to renew the Support Services, You may at any time during the term of this Agreement request that Tenable reinstate the Support Services provided that You pay a one-time reinstatement fee equal to the total fees You would have paid for the Support Services between the time You terminated or failed to renew such Support Services and the then-current date.

This Agreement does not transfer to You any title to or any ownership right or interest in the Software. You acknowledge that Tenable owns and retains all right, title and interest in and to the Software, Services, and Materials. As between You and Tenable, all enhancements, modifications and derivative works that Tenable or any Tenable-authorized third party makes to the Software or accompanying documentation, and all intellectual property rights therein, will be the property of Tenable. Your rights with respect to the Software are limited to the right to use the Software pursuant to the terms and conditions in this Agreement.

7. No Reverse Engineering, Other Restrictions.

Except as expressly allowed herein; You may not directly or indirectly: (i) sell, lease, redistribute or transfer any of the Software on a stand-alone basis; (ii) decompile, disassemble, reverse engineer, or otherwise attempt to derive, obtain or modify the source code of the Software; (iii) reproduce, modify, translate or create derivative works of all or any part of the Software; (iv) rent, lease or loan the Software in any form to any third party or otherwise allow a third party to use the Software; (v) sublicense any of the rights granted to You in this Agreement; or (vi) remove, alter or obscure any proprietary notice, labels, or marks on the Software. You are responsible for all use of the Software and for compliance with this Agreement; any breach by You or any user using the Software on Your behalf shall be deemed to have been made by You.
8. **Limited Right to Copy.**

Subject to record retention laws and policies, You may make a reasonable number of copies of the Software, in whole or in part, only for backup or archival purposes or to replace a worn or defective original or copy. You may not operate in production a copy of the Software at the same time as the original or another copy. You may make a reasonable number of copies of the documentation solely to support Your allowed use of the Software hereunder. You acknowledge that the documentation is provided to You under copyright protection. You agree to maintain appropriate records of the location of the original Software and documentation and any copy made by You.

9. **Managed Security Service Providers (“MSSPs”): Restrictions on Third Party Use and Access.**

(a) Managed Security Service Provider (“MSSP”). If You use the Software to scan third party networks as part of a service You deliver to Your customers (“MSSP Services”), the following additional terms apply: (i) You may only scan those networks for which You have received appropriate authorization from the owner of the network; (ii) You may only use SecurityCenter or SecurityCenter Continuous View (as well as any Software they exclusively control) to offer MSSP Services; (iii) You may service multiple customers on the same console provided that You create separate repositories for each customer; (iv) You are solely responsible for securing and segregating Your customer data; (v) You must provide Your own portal or delivery mechanism, and may not allow Your customers to access the SecurityCenter console; (vi) You must inform Tenable in advance regarding any Software that will be shipped, downloaded, or otherwise transferred to any country other than the United States or Your home country; (vii) You must further provide a monthly report showing the location of each installation of the Software; (viii) You must use a supported version of the Software; (ix) Tenable has no obligation to provide Support Services to Your customers; and (x) You agree that Tenable will have no liability to Your customers.

(b) You agree to use Your best efforts and to take all reasonable steps to ensure that no unauthorized parties have access to the Software and that no unauthorized copy, publication, disclosure or distribution of the Software, in whole or in part, in any form is made by You or any third party. You agree to notify Tenable of any unauthorized access to, or use, copying, publication, disclosure or distribution of, the Software.

(c) Notwithstanding the foregoing, and subject to all other terms of DIR Contract No. DIR-TSO-4071 and this Agreement, You may permit a third party (a “Third Party”) to (a) use the Software to perform security services for Your business, or (b) administer the Software, each provided that: (i) any such Third Party use or administration is for Your sole benefit of and on Your behalf; (ii) You acknowledge that You shall be legally responsible for the Third Party’s use of the Software including without limitation any obligations arising from such use and any breach by the Third Party of the terms and conditions of this Agreement, including Section 10 (Confidentiality); (iii) the total number of copies of the Software licensed by You and used by either You and/or any Third Party does not at any given time exceed the number of licenses legally licensed. Upon sixty (60) days’ notice, Tenable shall have the right to withdraw its consent to the use of any Third Party in its reasonable discretion.

10. **Confidentiality.**

To the extent allowable under the Texas Public Information Act, as used in this Agreement, “Confidential Information” means any and all information and material that: (i) is marked “Confidential,” “Restricted,” or “Confidential Information” or other similar marking; (ii) is known by You to be confidential or proprietary; or (iii) from all the relevant circumstances, should reasonably be assumed by You to be confidential or proprietary. Confidential Information includes the Software. Confidential Information does not include any information that You can prove: (a) was already known to You without restrictions at the time of its disclosure by Tenable; (b) after its disclosure by Tenable, is made known to You without restrictions by a third party having the right to do so; (c) is or becomes publicly known without violation of this Agreement, or (d) is independently developed by You without reference to the Confidential Information. Confidential Information will remain the property of Tenable, and You will not be deemed by virtue of this Agreement or any access to the Confidential Information to have acquired any right, title or interest in or to the Confidential Information. You may not copy any Confidential Information without Tenable’s prior written permission. You may not remove any copyright, trademark, proprietary rights or other notices included in or affixed to any Confidential Information. Other than using the Software in accordance with the terms of DIR Contract No. DIR-TSO-4071 and this Agreement, You may not use the Confidential Information for Your or a third party’s benefit, competitive development or any other purpose. You agree: (I) to hold the Confidential Information in strict confidence; (II) to limit
disclosure of the Confidential Information to Your own employees or those of any Third Party, as specified in Section 7 (No Reverse Engineering; Other Restrictions) having a need to know the Confidential Information for the purposes of this Agreement; (III) to use the Confidential Information solely and exclusively in accordance with the terms of DIR Contract No. DIR-TSO-4071 and this Agreement in order to carry out Your obligations and exercise Your rights under this Agreement; (IV) to afford the Confidential Information at least the same level of protection against unauthorized disclosure or use as You normally use to protect Your own information of a similar character, but in no event less than reasonable care; and (V) to notify Tenable promptly of any unauthorized use or disclosure of the Confidential Information and to cooperate with Tenable to stop or minimize such unauthorized use or disclosure. You agree that if a court of competent jurisdiction determines that You have breached, or attempted or threatened to breach, Your confidentiality obligations to Tenable or Tenable’s proprietary rights, Tenable will suffer irreparable harm and that monetary damages will be inadequate to compensate Tenable for such breach.

11. Warranty and Disclaimer.

(a) Tenable warrants that, for a period of thirty (30) days from the Order Date of Software (the “Software Warranty Period”), the unmodified Software will, under normal use, substantially perform the functions described in its technical documentation.

(b) If You will be using a physical Appliance, Tenable warrants to You that, for a period of one (1) year after shipment (the “Appliance Warranty Period”), the Appliance will be free from defects in materials and workmanship.

(c) ALL SERVICES, MATERIALS AND OTHER INFORMATION PROVIDED BY TENABLE IN CONNECTION WITH ANY SERVICES PERFORMED UNDER THIS AGREEMENT ARE FURNISHED ON AN “AS-IS” BASIS. THE FOREGOING EXPRESS WARRANTIES REPLACE AND ARE IN LIEU OF ALL OTHER WARRANTIES OR CONDITIONS BY THE PARTIES, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, INTEGRATION, PERFORMANCE AND ACCURACY AND ANY IMPLIED WARRANTIES ARISING FROM STATUTE, COURSE OF DEALING, COURSE OF PERFORMANCE OR USAGE OF TRADE. TENABLE MAKES NO WARRANTY THAT ANY SOFTWARE OR APPLIANCE WILL OPERATE ERROR-FREE, FREE OF ANY SECURITY DEFECTS OR IN AN UNINTERRUPTED MANNER. THE WARRANTY MADE BY TENABLE MAY BE VOIDED BY YOUR ABUSE OR MISUSE.

12. Exclusive Remedy.

Tenable’s sole obligation and liability, and Your sole and exclusive remedy under the warranties set forth in Section 11, shall be for Tenable to use commercially reasonable efforts to remedy the problem, or to replace the defective product, provided that Tenable is notified in writing of all warranty problems during the applicable Software or Appliance Warranty Period.

13. Limitation of Liability.

LIMITATION OF LIABILITY SHALL BE HANDLED IN ACCORDANCE WITH APPENDIX A, SECTION 10K OF DIR CONTRACT NO. DIR-TSO-4071.

14. Exclusion of Other Damages.

The limitations of liability set forth in Sections 13 and 14 will survive and apply notwithstanding the failure of any limited or exclusive remedy for breach of warranty set forth in this Agreement. The parties agree that the foregoing limitations will not be read so as to limit any liability to an extent that would not be permitted under applicable law and specifically will not limit any liability for gross negligence, intentional tortious or unlawful conduct or damages for strict liability that may not be limited by law.

16. Indemnification.

(a) Indemnification shall be handled in accordance with Appendix A, Section 10A of DIR Contract No. DIR-TSO-4071.

17. Verification.

For the term of this Agreement and one (1) year thereafter, You agree that Tenable or its designee shall have the right, at its own expense and under reasonable conditions of time and place, to audit and copy all records of Your use of the Software. Tenable or its designee may also require You to complete accurately a self-audit questionnaire in a form provided by Tenable. If an audit reveals unlicensed use of the Software, a breach of this Agreement or underpayment of any Fees by You or Your employees or agents, You must, in addition to such other rights
and remedies as may be available to Tenable as the result of such breach, promptly order and pay for sufficient licenses (at Tenable’s then-current price for such licenses) to permit all usage disclosed. Tenable will use information obtained from such audit only to verify and enforce Your compliance with the terms of this Agreement, to comply with any governmental reporting requirements and for such other purposes as required by law.

18. Your Payment Obligations.

You agree to pay any and all amounts due or incurred by You, including any License Fee or Support Fee or any other applicable charge, as are specified in an invoice provided by Tenable or its Vendor in consideration for Your license of the Software or purchase of the Appliance (the "Fees"). You further agree to pay any and all amounts due or incurred for any Services as set forth in an applicable Statement of Work. Payment shall be handled in accordance with Appendix A, Section 8J of DIR Contract No. DIR-TSO-4071. Taxes shall be handled in accordance with Appendix A, Section 8E of DIR Contract No. DIR-TSO-4071. Tenable will be solely responsible for its income tax obligations and all employer reporting and payment obligations with respect to its personnel. If a certificate of exemption or similar document or proceeding is necessary in order to exempt any transaction from a tax, you will obtain such certificate or document.

19. Legal Compliance; Restricted Rights.

The Software and Appliance are provided solely for lawful purposes and use. You are solely responsible for, and agree to perform Your obligations in a manner that complies with all applicable national, federal, state and local laws, statutes, ordinances, regulations, codes and other types of government authority (including those governing export control, unfair competition, anti-discrimination, false advertising, privacy and data protection, and publicity and those identifying and requiring permits, licenses, approvals, and other consents) (“Laws”). Without limiting the foregoing, You agree to comply with all U.S. export Laws (including the International Traffic in Arms Regulation (“ITAR”), 22 CFR 120-130, and the Export Administration Regulation (“EAR”), 15 CFR Parts 730 et seq.) and applicable export Laws of Your locality (if You are not in the United States), to ensure that no information or technical data provided pursuant to this Agreement is exported or re-exported directly or indirectly in violation of Law or without first obtaining all required authorizations or licenses. You will, at Your sole cost and expense, obtain and maintain in effect all permits, licenses, approvals and other consents related to Your obligations under this Agreement. You agree, at Your expense, to comply with all foreign exchange and other Laws applicable to You. The Software (1) was developed solely at private expense, (2) contains “restricted computer software” submitted with restricted rights in accordance with FAR 52.227-19 Commercial Computer Software–Restricted Rights (June 1987) sections (a) through (d) and its successors, and (3) in all respects is proprietary data belonging to Tenable, its affiliates or their licensors or suppliers. For Department of Defense units, the Software is considered commercial computer software in accordance with DFARS section 227.7202-3 and its successors, and use, duplication or disclosure by the U.S. Government is subject to restrictions set forth in this Agreement. The parties further agree to comply with sanctions administered by the Department of Treasury’s Office of Foreign Assets Control (“OFAC”) and shall not engage in prohibited trade to persons or entities on the Specially Designated Nationals (“SDN”) list.

20. Termination.

Termination shall be handled in accordance with Appendix A, Section 11B of DIR Contract No. DIR-TSO-4071. Subject to record retention laws and policies, immediately after termination of this Agreement, You shall return to Tenable the Software, together with all copies, modifications and merged portions of the Software in any form, and shall certify to Tenable in writing that through Your best efforts and to the best of Your knowledge all such materials have been returned to Tenable and removed from host computers on which Software resided. If You have been using an Appliance, immediately after termination of this Agreement You may no longer use the Appliance and Tenable has no further obligation to support the Appliance. If You want to use the hardware portion of the Appliance outside of this Agreement, subject to record retention laws and policies, you must remove and destroy the Software in the Appliance, together with all copies, modifications and merged portions of the Software in any form. Once the Software is removed and destroyed, none of the restraints on transfer set forth in this Agreement will apply to the physical device constituting the remainder of the Appliance after the Software is permanently removed. The removal and deletion provisions of this Section 20 do not apply to copies of the Software that are made pursuant to Your reasonable back-up and archival policies (under which back-up tapes that will be overwritten in due course may contain copies of the Software), provided that (i) such copies are only retained by You in the course of Your back-up procedures, (ii) such copies will be deleted within a reasonable period of time in the normal course of
overwriting under the back-up process, and (iii) such copies never be used to exceed the license restrictions under this Agreement. Any Statement of Work shall terminate in accordance with Appendix A, Section 11B of DIR Contract No. DIR-TSO-4071.

This Agreement shall be governed in all respects by the laws of the State of Texas, USA, without regard to choice-of-law rules or principles. No aspect or provision of the Uniform Computer Information Transactions Act, as implemented shall apply to this Agreement. You expressly agree with Tenable that this Agreement shall not be governed by the U.N. Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded.

22. Dispute Resolution.

You and Tenable submit to the exclusive jurisdiction of the state courts of Travis County, Texas. Dispute Resolution shall be handled in accordance with Appendix A, Section 11A of DIR Contract No. DIR-TXO-4071.

Any notices will be handled in accordance with Appendix A, Section 12 of DIR Contract No. DIR-TSO-4071.

For a period of one (1) year after completion of Services, You will not, either directly or indirectly, employ or solicit for employment any person employed by Tenable or any of its affiliates then or at any time within the preceding twelve (12) months with whom You have worked in the course of Services performed for You under this Agreement. Employment resulting from public solicitation is not included in the provision.

25. Assignment.

Assignments shall be handled in accordance with Appendix A, Section 4D of DIR Contract No. DIR-TSO-4071.

DIR Contract No. DIR-TSO-4071 and this Agreement constitutes the entire agreement between the parties, and supersedes all other prior or contemporaneous communications between the parties (whether written or oral) relating to the subject matter of this Agreement. No purchase order shall supersede this Agreement. Any amendment to the terms of this Agreement must be in writing and signed by the parties. The provisions of this Agreement will be deemed severable, and the unenforceability of any one or more provisions will not affect the enforceability of any other provisions. Section headings are for convenience only and shall not be considered in the interpretation of this Agreement. In addition, if any provision of this Agreement, for any reason, is declared to be unenforceable, the parties will substitute an enforceable provision that, to the maximum extent possible under applicable law, preserves the original intentions and economic positions of the parties. Force Majeure shall be handled in accordance with Appendix A, Section 11C of DIR Contract No. DIR-TSO-4071. No failure or delay by a party in exercising any right, power or remedy will operate as a waiver of that right, power or remedy, and no waiver will be effective unless it is in writing and signed by the waiving party. If a party waives any right, power or remedy, the waiver will not waive any successive or other right, power or remedy the party may have under this Agreement. Any provision of this Agreement that imposes or contemplates continuing obligations on a party will survive the expiration or termination of this Agreement, including Sections 3 through 4 and 11 through 22 and Section 24.

27. Language.

The language of this Agreement is English and all notices given under this Agreement must be in English to be effective. No translation, if any, of this Agreement or any notice will be of any effect in the interpretation of this Agreement or in determining the intent of the parties.
