

STATE OF TEXAS  
DEPARTMENT OF INFORMATION RESOURCES

CONTRACT FOR SERVICES

ERNST & YOUNG US LLP

**1. Introduction**

**A. Parties**

This Contract for Services (“Contract”) is entered into between the State of Texas (“State”), acting by and through the Department of Information Resources (“DIR”) with its principal place of business at 300 West 15<sup>th</sup> Street, Suite 1300, Austin, Texas 78701, and Ernst & Young US LLP (“Vendor”), with its principal place of business at 401 Congress Avenue, Suite 3200, Austin, Texas 78732.

**B. Compliance with Procurement Laws**

This Contract is the result of compliance with applicable procurement laws of the State. DIR issued a solicitation on the Comptroller of Public Accounts’ Electronic State Business Daily, Request for Offer (RFO) DIR-TSO-TMP-253, on August 4, 2016, for Deliverables-Based Information Technology Services (DBITS). Upon execution of this Contract, a notice of award for RFO DIR-TSO-TMP-253 shall be posted by DIR on the Electronic State Business Daily.

**C. Order of Precedence**

This Contract; Appendix A, Deliverables-Based Information Technology Services Contract Terms and Conditions; Appendix B, Vendor’s Historically Underutilized Businesses Subcontracting Plan; Appendix C, Sample Statement of Work; Exhibit 1, Vendor’s Response to RFO DIR-TSO-TMP-253, including all addenda; and Exhibit 2, RFO DIR-TSO-TMP-253, including all addenda; are incorporated by reference and constitute the entire agreement between DIR and Vendor. In the event of a conflict between the documents listed in this paragraph, the controlling document shall be this Contract, then Appendix A, then Appendix B, then Appendix C, then Exhibit 1, and finally Exhibit 2. In the event and to the extent any provisions contained in multiple documents address the same or substantially the same subject matter but do not actually conflict, the more recent provisions shall be deemed to have superseded earlier provisions.

**2. Term of Contract**

The term of this Contract shall be two (2) years commencing on the last date of approval by DIR and Vendor. Prior to expiration of the original term, the contract will renew automatically in one-year increments for two additional years under the same terms and conditions unless either party provides notice to the other party 60 days in advance of the renewal date stating that the party wishes to discuss modification of terms or not renew. Additionally, the parties by mutual agreement may extend the term for up to ninety (90) additional calendar days.

### 3. Service Offerings

Services available under this Contract are limited to the Deliverables-Based Information Technology Services Technology Categories as specified below. Vendor may incorporate changes to their services offering; however, any changes must be within the scope of the RFO and services awarded based on the posting described in Section 1.B above. Vendor may not add services which were not included in the Vendor's response to the solicitation described in Section 1.B above.

No hardware or software products and related services may be sold through this contract. Any products needed to deliver final services must be procured through another contract vehicle. Examples of these products include: Software as a Service (SaaS), subscriptions, annual license maintenance and support, and web hosting.

#### **Technology Upgrade/Migration and Transformation**

- 1) Definition: Technology Upgrade/Migration may be required to increase business functionality, reengineer a business function, keep current with vendor upgrades or when upgrading existing technology. Technology Transformation may be accomplished by converting/migrating legacy applications to new technology either with or without new business functionality or it may include introducing new technology into the enterprise. Technology Upgrade/Migration may also include providing website content accessibility compliance.
- 2) Examples of included services: assessments of the current application portfolio, evaluation of the technology assets before beginning technology transformation and Business Case development for justification of an initiative. Also included are: technology transformations, which may include, appropriate Return on Investment (ROI), benchmarks and milestones. The following activities may also be included: planning, analysis, requirements development, proof of concept, deployment, implementation, integration, remediation, data migration, documentation, application programming and support services; and training support.

#### **Information Technology Assessments and Planning**

- 1) Definition: IT Assessments and Planning may include IT effectiveness, maturity, governance, project management and architecture. Strategic planning activities may include mission statement development, visioning and goals, objectives, and strategy development. Tactical planning may require that actionable plans and roadmaps be provided.
- 2) Examples of included services: IT assessments, including enterprise architecture and cloud assessments; staff knowledge, skills and abilities (KSAs) assessments; bandwidth assessments, network performance and strategic and tactical planning.

#### **Independent Verification and Validation (IV&V)**

- 1) Definition: Verification and Validation are independent procedures that are used together for in-depth analysis by checking that a product, service, or system meets requirements, independent oversight of SDLC processes and specifications and that it fulfills its intended purpose.

2) Examples of included services: Validation of software design to meet system needs/requirements; traceability of safety critical requirements; design analysis of selected critical algorithms; and code analysis of mission-critical software components and the independent oversight and assessment of systems development life cycle (SDLC) processes (such as issue and risk management, requirements analysis, testing, data conversion etc.)

**4. Pricing**

Pricing to the DIR Customer shall be as set forth in Appendix A, Section 7, Pricing, Purchase Orders, Invoices and Payment, and as set forth in the Customer's Statement of Work and shall include the DIR Administrative Fee. Customers purchasing services under this Contract shall negotiate pricing directly with the Vendor in accordance with the Customer's Statement of Work.

**5. DIR Administrative Fee**

A) The administrative fee to be paid by the Vendor to DIR based on the dollar value of all sales to Customers pursuant to this Contract is three-quarters of one percent (.75%). Payment will be calculated for all sales, net of returns and credits. For example, the administrative fee for sales totaling \$100,000 shall be \$750.00.

B) All prices quoted to Customers shall include the administrative fee. DIR reserves the right to change this fee upwards or downwards during the term of this Contract, upon written notice to Vendor without further requirement for a formal contract amendment. Any change in the administrative fee shall be incorporated by Vendor in the price to the Customer.

**7. Statement of Work**

A) Services provided under this Contract shall be based on the Sample Statement of Work as set forth in Appendix C of this Contract. Customers may negotiate the terms and conditions of a SOW to suit their business needs, so long as the SOW terms and conditions do not conflict with this Contract.

**B) Conflicting or Additional Terms**

In the event that conflicting or additional terms in Statement of Work or linked or supplemental documents amend or diminish the rights of DIR Customers or the State, such conflicting or additional terms shall not take precedence over the terms of this Contract.

In the event of a conflict, any linked documents may not take precedence over the printed or referenced documents comprising this contract; provided further that any update to such linked documents shall only apply to purchases or leases of the associated Vendor product or service offering after the effective date of the update; and, provided further, that, if Vendor has responded to a solicitation or request for pricing, no update of such linked documents on or after the initial date of Vendor's initial response shall apply to that purchase unless Vendor directly informs Customer of the update before the purchase is consummated.

In the event that different or additional terms or conditions would otherwise result from accessing a linked document, agreement to said linked document shall not be effective until reviewed and approved in writing by Customer's authorized signatory.

Vendor shall not [without prior written agreement from Customer's authorized signatory,] require any document that: 1) diminishes the rights, benefits, or protections of the Customer, or that alters the definitions, measurements, or method for determining any authorized rights, benefits, or protections of the Customer; or 2) imposes additional costs, burdens, or obligations upon Customer, or that alters the definitions, measurements, or method for determining any authorized costs, burdens, or obligations upon Customer.

If Vendor attempts to do any of the foregoing, the prohibited documents will be void and inapplicable to the contract between DIR and Vendor or Vendor and Customer, and Vendor will nonetheless be obligated to perform the contract without regard to the prohibited documents, unless Customer elects instead to terminate the contract, which in such case may be identified as a termination for cause against Vendor.

The foregoing requirements apply to all contracts.

**8. Authorized Exceptions to Contract and any Appendices.**

No exceptions have been agreed to by DIR and Vendor.

This Contract is executed to be effective as of the date of last signature.
