This Contract is the result of compliance with applicable procurement laws of the State. DIR issued a solicitation on the Comptroller of Public Accounts' Electronic State Business Daily, Request for Offer (RFO) DIR-TSO-TMP-423, on February 6, 2018 for Comprehensive Web Development and Managed Services. Upon execution of this Contract, a notice of award for RFO DIR-TSO-TMP-423 shall be posted by DIR on the Electronic State Business Daily.

In the event and to the extent any provisions contained in multiple documents address the same or substantially the same subject matter but do not actually conflict, the more recent provisions shall be deemed to have superseded earlier provisions.

**2. Term of Contract**

The initial term of this Contract shall be two (2) years commencing on the last date of approval by DIR and Vendor, with two (2) optional one-year renewal. The contract will renew automatically under the same terms and conditions unless either party provides notice to the other party 60 days in advance of the renewal date stating that the party wishes to discuss modification of terms or not renew. Additionally, the parties by mutual agreement may extend the term for up to ninety (90) additional calendar days.

**3. Service Offerings**

Services available under this Contract are limited to Comprehensive Web Development and Managed Services as specified in Appendix C, Pricing Index. Vendor may incorporate changes to

their services offering; however, any changes must be within the scope of the RFO and services awarded based on the posting described in Section 1.B above. Vendor may not add services which were not included in the Vendor's response to the solicitation described in Section 1.B above.

**7. A) Conflicting or Additional Terms**

In the event that conflicting or additional terms in Service Agreements or linked or supplemental documents amend or diminish the rights of DIR Customers or the State, such conflicting or additional terms shall not take precedence over the terms of this Contract.

In the event of a conflict, any linked documents may not take precedence over the printed or referenced documents comprising this contract; provided further that any update to such linked documents shall only apply to purchases or leases of the associated Vendor product or service offering after the effective date of the update; and, provided further, that, if Vendor has responded to a solicitation or request for pricing, no update of such linked documents on or after the initial date of Vendor’s initial response shall apply to that purchase unless Vendor directly informs Customer of the update before the purchase is consummated.

In the event that different or additional terms or conditions would otherwise result from accessing a linked document, agreement to said linked document shall not be effective until reviewed and approved in writing by Customer’s authorized signatory.

Vendor shall not [without prior written agreement from Customer’s authorized signatory,] require any document that: 1) diminishes the rights, benefits, or protections of the Customer, or that alters the definitions, measurements, or method for determining any authorized rights, benefits, or protections of the Customer; or 2) imposes additional costs, burdens, or obligations upon Customer, or that alters the definitions, measurements, or method for determining any authorized costs, burdens, or obligations upon Customer.

If Vendor attempts to do any of the foregoing, the prohibited documents will be void and inapplicable to the contract between DIR and Vendor or Vendor and Customer, and Vendor will nonetheless be obligated to perform the contract without regard to the prohibited documents, unless Customer elects instead to terminate the contract, which in such case may be identified as a termination for cause against Vendor.

The foregoing requirements apply to all contracts, including, but not limited to, contracts between Customer and a reseller who attempts to pass through documents and obligations from its Manufacturer or Publisher.
