7. **Software Subscription and Service Agreements**

**A. Software Subscription Agreement**

1) Customers acquiring software subscriptions under the Contract shall hold, use and operate such software subject to compliance with the Software Subscription Agreement set forth in Appendix D of this Contract. No changes to the Software Subscription Agreement terms and conditions may be made unless previously agreed to between Vendor and DIR. Customers may not add, delete or alter any of the language in Appendix D; provided however, that a Customer and Vendor may agree to additional terms and conditions that do not diminish a term or condition in the Software Subscription Agreement, or in any manner lessen the rights or protections of Customer or the responsibilities or liabilities of Vendor. Order Fulfiller shall make the Software Subscription Agreement terms and conditions available to all Customers at all times.

2) Compliance with the Software Subscription Agreement is the responsibility of the Customer. DIR shall not be responsible for any Customer’s compliance with the Software Subscription Agreement. If DIR purchases software subscriptions/licenses for its own use under this Contract, it shall be responsible for its compliance with the Software Subscription/License Agreement terms and conditions.

**B. Shrink/Click-wrap License Agreement**

Regardless of any other provision or other license terms which may be issued by Vendor after the effective date of this Contract, and irrespective of whether any such provisions have been proposed prior to or after the issuance of a Purchase Order for products licensed under this Contract, or the fact that such other agreement may be affixed to or accompany software upon delivery (shrink-wrap), the terms and conditions set forth in this Contract shall
supersede and govern the license terms between Customers and Vendor. **It is the Customer’s responsibility to read the Shrink/Click-wrap License Agreement and determine if the Customer accepts the license terms as amended by this Contract. If the Customer does not agree with the license terms, Customer shall be responsible for negotiating with the reseller to obtain additional changes in the Shrink/Click-wrap License Agreement language from the software publisher.**

C. Service Agreement

Services provided under this Contract shall be in accordance with the Subscription/Service Agreement as set forth in Appendix D of this Contract. No changes to the Subscription/Service Agreement terms and conditions may be made unless previously agreed to by Vendor and DIR.

D. Conflicting or Additional Terms

In the event that conflicting or additional terms in Vendor Software Subscription Agreements, Shrink/Click Wrap License Agreements, Service Agreements or linked or supplemental documents amend or diminish the rights of DIR Customers or the State, such conflicting or additional terms shall not take precedence over the terms of this Contract.

In the event of a conflict, any linked documents may not take precedence over the printed or referenced documents comprising this contract; provided further that any update to such linked documents shall only apply to purchases or leases of the associated Vendor product or service offering after the effective date of the update; and, provided further, that, if Vendor has responded to a solicitation or request for pricing, no update of such linked documents on or after the initial date of Vendor’s initial response shall apply to that purchase unless Vendor directly informs Customer of the update before the purchase is consummated.

In the event that different or additional terms or conditions would otherwise result from accessing a linked document, agreement to said linked document shall not be effective until reviewed and approved in writing by Customer’s authorized signatory.

Vendor shall not without prior written agreement from Customer’s authorized signatory, require any document that: 1) diminishes the rights, benefits, or protections of the Customer, or that alters the definitions, measurements, or method for determining any authorized rights, benefits, or protections of the Customer; or 2) imposes additional costs, burdens, or obligations upon Customer, or that alters the definitions, measurements, or method for determining any authorized costs, burdens, or obligations upon Customer.

If Vendor attempts to do any of the foregoing, the prohibited documents will be void and inapplicable to the contract between DIR and Vendor or Vendor and Customer, and Vendor will nonetheless be obligated to perform the contract without regard to the prohibited documents, unless Customer elects instead to terminate the contract, which in such case may be identified as a termination for cause against Vendor.

The foregoing requirements apply to all contracts, including, but not limited to, contracts between Customer and a reseller who attempts to pass through documents and obligations from its Manufacturer of Publisher.
8. **Authorized Exceptions to Appendix A, Standard Terms and Conditions for Product and Related Services Contracts.**

No exceptions have been agreed to by DIR and Vendor.
