CA Branded and Lenovo Branded Products and Related Services
Request for Offer DIR-TSO-TMP-265**

1. Introduction

1.1. Purpose

The purpose of this Request for Offer (RFO) is to solicit responses from potential Vendors to provide CA Technologies, Inc. (herein referred to as “CA”) manufacturer branded products, Lenovo (United States), Inc. (herein referred to as Lenovo) manufacturer branded products and related services to the State of Texas, acting by and through the Department of Information Resources (DIR).

As a result of this RFO, DIR expects to receive and evaluate responses and select one or more qualified Vendors with whom to enter into negotiations. Respondents may bid either CA branded and/or Lenovo branded products and related services. Section 4 of this RFO contains more information regarding the response evaluation and Respondent selection process. DIR reserves the right to award more than one contract from this RFO. All contracts awarded shall be indefinite quantity contracts with no minimum guarantees of any purchases.

As a result of this RFO, DIR expects to create contract vehicles that satisfies statewide procurement requirements for CA and Lenovo branded hardware and related services Contracts and improves the efficiency of the procurement process by shortening the time required to procure CA branded and Lenovo branded products and related services.

As part of DIR’s initiatives to identify strategic sourcing opportunities, DIR reserves the right to make a single award or multiple awards as determined by DIR to achieve the highest overall value to the state.

1.2. Background

1.2.1 Information Technology Acquisition

Through its Cooperative Contracts Program, DIR assists state agencies and local governments (Customers) with cost-effective acquisition of their information resources by negotiating, managing, and administering contracts with information technology providers. Customers include any Texas state agency, unit of local government or institution of higher education as defined in Texas Government Code, Section 2054.003; the Electric Reliability Council of Texas, the Lower Colorado River Authority, a private school, as defined by Section 5.001, Education Code, a private or independent institution of higher education, as defined by Section 61.003, Education Code, a volunteer fire department, as defined by Section 152.001, Tax Code; those state agencies purchasing from a DIR contract through an Interagency Agreement, as authorized by Texas Government Code, Chapter 771; any local government as authorized through Texas Government Code, Chapter 791; the Interlocal Cooperation Act; the state agencies and political subdivisions of other states as authorized by Texas Government Code, Section 2054.0565; and for non-telecommunications IT Commodity products and services, “assistance organizations” defined in Texas Government Code, Section 2175.001.

DIR combines the buying power of authorized Customers to obtain volume-discounted pricing for selected technology products and services. In addition to

Department of Information Resources
CA Branded and Lenovo Branded Products and Related Services
Request for Offer DIR-TSO-TMP-265

offering volume-discounted pricing, DIR created the Cooperative Contracts (Co-op Contracts) Program to make it easier for Customers to acquire these products and services. Customers place orders with and issue payments directly to the Vendors participating in the Co-op Contracts Program. Subject to DIR rights set forth in Sections 3.8 and 3.9 of this RFO, DIR will award and negotiate base contract documents with Respondents as a result of this RFO. Customers contact the DIR vendor for products and/or services and pricing information, negotiate their own service level agreements and additional terms and conditions, if any, and send their purchase orders (with the DIR contract number) and payments directly to the participating awarded Vendor, not to DIR. Information regarding the Co-op Contracts Program is located on DIR's Web site at <http://dir.texas.gov/View-About-DIR/Pages/Content.aspx?id=41>.

1.2.2 Texas Government Code, Section 2157.068

Texas Government Code, Section 2157.068, effective September 1, 2005, requires State agencies to buy commodity items, as detailed below, in accordance with contracts developed by DIR unless the agency obtains an exemption from DIR.

Commodity items are commercially available software, hardware and technology services that are generally available to businesses or the public and for which DIR determines that a reasonable demand exists in two or more state agencies. Hardware is the physical technology used to process, manage, store, transmit, receive or deliver information. Software is a commercially available program that operates hardware and includes all supporting documentation, media on which the software may be contained or stored, related materials, modifications, versions, upgrades, enhancements, updates or replacements and may include Software provided as a service. Technology services are the services, functions and activities that facilitate the design, implementation, creation, or use of software or hardware. Technology services include seat management, staff augmentation, training, maintenance and subscription services. Seat management is a service through which a state agency transfers its responsibilities to a Vendor to manage its personal computing needs, including all necessary hardware, software and technology services.

Technology services do not include telecommunications services. Any service awarded under the TEX-AN Next Generation Procurement, RFO number DIR-TEX-AN-NG-001 is excluded. The following services were awarded under the TEX-AN Next Generation Procurement: Long Distance Services, Internet Services (including SOHO), Voice over Internet Protocol (VoIP), Local Voice Service, Wireless Service, Fixed Satellite and Access and Transport.

Institutions of higher education, K-12, and local governments are not required to purchase IT commodities from DIR, but may do so voluntarily. Information regarding Texas Government Code §2157.068, including processes and guidelines, is located on DIR's Web site at: <http://dir.texas.gov/View-Contracts-And-Services/Pages/Content.aspx?id=25>.

1.2.3 Cost Avoidance Performance Measures

As part of its performance measures reported to state leadership, DIR must show the cost avoidance realized by the State for the products and services obtained

**Department of Information Resources
CA Branded and Lenovo Branded Products and Related Services
Request for Offer DIR-TSO-TMP-265**

under DIR contracts. Cost avoidance is the difference between the negotiated DIR contract price and the prevailing market price.

1.2.4 Cost Recovery

DIR recovers the costs of negotiating, executing, and administering the Co-op Contracts through an administrative fee. DIR is authorized to charge a reasonable administrative fee to all customers per Section 2157.068(d) of the Texas Government Code. The administrative fee must be included in the DIR Vendor's price to the customer and paid to DIR by the Vendor. The fee has been set at a not-to-exceed level of 2.00% by the current appropriations act of the State Legislature. For the purposes of responding to this RFO, the administrative fee of 0.75% shall be used in calculating the pricing specified in Bid Package 2. DIR may change the administrative fee at any time during a contract term. DIR will notify Vendors of any change in the administrative fee.

1.2.5 Historical Sales

Contracts negotiated and managed through the Cooperative Contracts Program resulted in over \$6 billion in Customer purchases for the past three (3) fiscal years combined. Information contained within the table below shows the total purchases from the current DIR cooperative contracts of products and related services for the past three (3) fiscal years by Customer segment. The State's fiscal year runs September 1st through August 31st.

The total volume of the products and related services sold through the Lenovo branded contracts is approximately \$30,348,629.

For the purpose of this RFO, there are seven (7) Tabs identified below that are in "Bid Package 2", Pricing Sheet:

**Department of Information Resources
CA Branded and Lenovo Branded Products and Related Services
Request for Offer DIR-TSO-TMP-265**

- Tab 1: Instructions
- Tab 2: CA Branded Products and Related Services
- Tab 3: Third Party Products for CA Brand
- Tab 4: CA Volume Discount
- Tab 5: Lenovo Branded Products and Related Services
- Tab 6: Third Party Products for Lenovo Brand
- Tab 7: Lenovo Volume Discount

Respondent may propose by Product or Product Line under each Product Category. If proposing by Product Line, Respondents must offer only one discount for each Product Line. The DIR Customer Price shall include all shipping, handling fees and DIR Administrative Fee.

Volume Pricing

1. Volume Pricing: DIR encourages Respondents to offer VOLUME pricing or discount for specific Products and/or Services on the spreadsheet tabs of Bid Package 2, Pricing Sheet.

Respondents must respond as follow to the “Bid Package 2” spreadsheet. Failure to respond as instructed may result in Respondent’s response being disqualified from further evaluation.

In addition to purchases, DIR and any Respondent awarded a Contract as a result of this RFO may agree to provisions that allow leasing of the products offered under the resulting Contract. Bid Package 9, Master Lease Agreement and Bid Package 10, Master Operating Lease Agreement will be the prevailing lease documents under any DIR contract award.

DIR is not soliciting this RFO for its own agency. DIR competitively bids for information technology products and services and establishes the statewide master contracts for use by DIR eligible customers (state agencies, higher education, K-12 independent school districts, and local governments).

DIR customers identify their own needs, then contact a DIR Vendor and obtain a price quote for products/services. DIR customers may submit a statement of work or a request to the DIR Vendor when obtaining a quote based on their needs. DIR customer makes the best value determination and issues a purchase order directly to the DIR Vendor.

2.2. Threshold and SOW Requirements

State Agency Customers (not including institutions of higher education), must adhere to the requirements of Senate Bill 20 (84R) relating to DIR Cooperative Contracts. Senate Bill 20 (SB20) requires state agencies to adhere to the following purchasing thresholds:

Threshold Requirements for IT Commodities (Hardware, Software and Services):

**Department of Information Resources
CA Branded and Lenovo Branded Products and Related Services
Request for Offer DIR-TSO-TMP-265**

Contract Value	Number of DIR Vendors
\$50,000 or less	May award directly to DIR Vendor of choice
More than \$50,000 but not more than \$150,000	Three (or all DIR Vendors in a category with less than three vendors)
More than \$150,000 but less than \$1 million	Six (or all DIR Vendors in a category with less than six vendors)
More than \$1,000,000	Agencies must conduct an independent procurement and cannot use DIR Cooperative Contracts

In addition, state agencies procuring more than \$50,000 worth of services from DIR Contracts must submit their draft and final Statements of Work to DIR for review and approval prior to making payment to a Vendor.

Threshold and SOW review and signature processes do not apply to Institutions of higher education, K-12, local governments, assistance organizations, or out-of-state customers.

2.3. Electronic and Information Resources (EIR) Accessibility

Under Texas Government Code, Chapter 2054, Subchapter M, and DIR implementing rules, DIR state agency Customers must procure EIR that complies with the Accessibility Standards defined in the Texas Administrative Codes [1 TAC 206](#), [1 TAC 213](#), and [WCAG 2.0 AA](#) as applicable, and when such products are available in the commercial marketplace or when such products are developed in response to a procurement solicitation.

Accordingly, **all Respondents must submit completed VPAT form (Bid Package 6) or links to complete VPATs located on manufacturer websites for each proposed product or product family prior to an award for the proposed product or product family.** Instructions on how to complete a VPAT® can be found on [DIR's website](#).

Respondents claiming that a proposed product or family of products is exempt from accessibility requirements must use the VPAT form to: (1) specify each exempt product or product family and indicate "Not Applicable" in the "Supporting Features" column of the Summary Table; (2) provide an explanation in the "Remarks" column of Summary Table.

In addition to the VPAT requirement, **Respondents must complete the Respondent's ICT Accessibility Policy Assessment (Bid Package 5) and must submit it with Respondent's response.**

2.4. Form of Contract

2.4.1 Sample Contract and Terms; Negotiation

2.4.2 Proposed Changes and Exceptions

Caution: Respondents' responses may be disqualified if their exceptions are excessive, or if they except to non-negotiable terms, as described below. Item 17 of Exhibit A contains the format for Respondent to note any exception to any provision, term, or condition specified in the *Sample Contract* and *Standard Terms and Conditions for Products and Related Services Contracts*. Respondent shall provide any proposed changes to contract language in redline in the "Proposed Language (redline)" column of the chart in Item 17 of Exhibit A. An explanation as to why the Respondent cannot comply with the provision, term, or condition and proposed alternative language **must** be included in the response. **Respondents may request exceptions to standard contract terms and conditions (other than those that DIR has identified as non-negotiable); however (1) the number, significance, and explanation of stated exceptions will be taken into consideration by DIR, (2) DIR in its discretion may or may not accept the Respondent's requested exceptions, and (3) DIR in its sole discretion may determine that the material deviations (including excessive, additional, inconsistent, conflicting or alternative terms) render the Offer non-responsive and may result in rejection of the Offer without further consideration.** If Respondent fails to note any exception, Respondent will not be allowed to request an exception upon award or at later date.

DIR anticipates a contract term of two (2) years with two (2) one-year optional extensions to be exercised by DIR at its discretion. In the event of prolonged contract negotiations due to the number and/or significance of exceptions taken, lack of Respondent responsiveness or other failure to close contract negotiations that are not due to a failure on the part of DIR, DIR may in its discretion offer Respondent a shorter contract term.

DIR reserves the right to make changes to the *Contract for Products and Related Services* or the *Standard Terms and Conditions for Products and Related Services Contracts* if it is in the best interest of the State to do so. Should this occur prior to the award of any contracts as a result of this RFO, any Respondents selected for negotiations will be notified.

3.4. Historically Underutilized Businesses

The purpose of the Historically Underutilized Business (HUB) Program is to promote full and equal business opportunities for all businesses in State contracting in accordance with the goals specified in the State of Texas Disparity Study. Each state agency must make a good faith effort to meet or exceed the goals identified below and assist HUBs in receiving a portion of the total contract value of all contracts that the agency expects to award in a fiscal year in accordance with the following procurement goals/percentages:

1. 11.2% for heavy construction other than building contracts;
2. 21.1% for all building construction, including general contractors and operative builders' contracts;
3. 32.9% for all special trade construction contracts;
4. 23.7% for professional services contracts;
5. 26.0% for all other services contracts;
6. 21.1% for commodities contracts.

It is the policy of DIR to make a good faith effort to achieve the annual program goals by contracting directly with HUBs or indirectly through subcontracting opportunities in accordance with the Texas Government Code, Chapter 2161, Subchapter F, and HUB Rules promulgated by the Comptroller of Public Accounts (CPA), 34 TAC, Chapter 20.

HUBs are strongly urged to respond to this RFO. Under Texas law, state agencies are required to make a good faith effort to assist HUBs in receiving certain percentages of the total value of contract awards. Respondents who meet the qualifications are strongly encouraged to apply for certification as HUBs.

3.4.1 HUB Subcontracting Plan

DIR has determined that subcontracting is probable under any contract awarded as a result of this RFO. **The HUB Goal for this RFO is 21.1%. ALL RESPONDENTS RESPONDING TO THIS RFO, INCLUDING THOSE THAT ARE HUB CERTIFIED**

**Department of Information Resources
CA Branded and Lenovo Branded Products and Related Services
Request for Offer DIR-TSO-TMP-265**

OR THOSE WHO DO NOT PLAN TO SUBCONTRACT, MUST COMPLETE A HUB SUBCONTRACTING PLAN (HSP) IN ACCORDANCE WITH THE STATE'S POLICY ON UTILIZATION OF HUBs. THE HSP MUST BE INCLUDED AS PART OF THE RESPONSE TO THIS RFO. FAILURE TO COMPLETE THE HSP AS INSTRUCTED WILL RESULT IN DISQUALIFICATION OF THE RESPONSE FROM CONSIDERATION. The State's Policy on Utilization of HUB and HSP forms are attached to this RFO as Bid Package 3. Please review the HSP forms carefully and allow sufficient time to identify and contact HUBs and allow them to respond. Note that Respondents must demonstrate a good faith effort to contract with new HUBs if currently proposed HUBs have performed as subcontractors to the Respondent for more than five years. If the Respondent does not plan to subcontract, Respondent must state that fact in their plan. An original, signed paper copy of the HSP must be submitted in an envelope that is separate from the response. The completed plan shall become a part of the contract that may be awarded as a result of this RFO.

3.4.2 HUB Continuing Performance

Any contracts awarded as a result of this RFO shall include reporting responsibilities related to HUB subcontracting. Awarded Respondents may not change any subcontractor without submitting a revised HUB Subcontracting Plan (HSP). Any change to a subcontractor and revised HSP must be approved in writing by DIR prior to implementation.

3.4.3 HUB Resources Available

A list of certified HUBs is available on the Texas Comptroller of Public Accounts (CPA) Website at: <http://comptroller.texas.gov/procurement/cmbi/hubonly.html>. Frequently Asked Question (FAQ) for Vendors regarding Policy-Driven Adoption for Accessibility (PDAA)

1. What is PDAA?

Policy-driven Adoption for Accessibility (PDAA) is a tool that Vendors can use to demonstrate the extent to which their organization has implemented accessibility best practices within operations. The PDAA concept is based on the following principles: towards the creation of accessible offerings over the long term.

- Enabling products for accessibility requires integrating accessibility criteria into all phases of a product life cycle, and other business processes where accessibility plays a role.
- Many state and federal agencies are required by law to procure or develop accessible offerings based on technical standards. Gaps in Vendor internal governance systems and leadership commitment inhibit their ability to meet these standards. continue to improve them over time.

2. Why are buying organizations requesting information on company accessibility policy?

Making an organization's information and communications technology (ICT) offerings accessible to people with disabilities requires commitment in many areas of that organization. PDAA data helps buying organizations understand a Vendor's accessibility policy, A mature accessibility policy implementation signals that the vendor is truly aware of the implications of accessibility requirements and is prepared to resolve any issues in a timely manner with minimal friction. It also makes it more likely that the Vendor understands that accessibility is more than meeting a set of technical guidelines or standards, and that usability will be a factor in how they go about meeting the technical requirements. Accessibility that is planned, designed, and built in from the beginning consistently results in a friendlier product for all users including those with disabilities

3. Why is PDAA information important to the buying organization?

The requested information provides insight into Vendors' ability to develop accessible commercial off the shelf (COTS) and non-COTS offerings, which can increase the procuring organizations' confidence in the accuracy of Vendor's accessibility documentation. Current ICT accessibility reporting formats such as VPATs (Voluntary Product Assessment Templates) only apply to COTS products and services. In many cases, Vendor VPATs lack credibility due to limited knowledge about their offerings' accessibility. Additionally, there is no standard reporting format for non-COTS offerings such as development services for websites, web applications, system

4. How will this information be used?

The initial completed form will establish a baseline for where a vendor stands with regard to its ICT accessibility policy. The baseline illustrates the depth and maturity of the Vendor's support for accessibility policy and practices as illustrated via the PDAA Maturity (<http://publishingext.dir.texas.gov/portal/internal/resources/DocumentLibrary/PDAA%20Maturity%20Matrix.pptx>)

The questionnaire may also be included in future solicitations so that progress can be assessed. The Vendor responses from the questionnaire may be considered as an element in Vendor selection; however, this would be determined by the procuring. Additionally, Vendor organizations can use the results as a roadmap for implementing their organization-wide ICT accessibility initiatives, which will help ensure that programs and processes are in place to facilitate the development of future accessible

5. We already submit VPATs as part of solicitation responses. Is that adequate?

No. VPATs (Voluntary Product Assessment Templates) are product-specific. PDAA is a holistic presentation of the organization's approach to accessibility. The expectation is that organizations with mature approaches to PDAA will greatly improve the levels of accessibility in products. It should also result in well documented, accurate VPATs, improving their value in product-level

6. What is the PDAA Maturity Model?

Based on the Capability Maturity Model (CMM) concept, the PDAA Maturity Model (Link on next line) provides buying organizations and vendors with a simple dashboard or matrix to track and demonstrate Vendors' progress toward full system-wide support of (<http://publishingext.dir.texas.gov/portal/internal/resources/DocumentLibrary/PDAA%20Maturity%20Matrix.pptx>)

7. Where can I obtain more information on Accessibility Policy implementation for my organization?

Or contact the Statewide EIR Accessibility Coordinator via Email at:

8. What is PDAA?

The PDAA concept is based on the following principles: towards the creation of accessible offerings over the long term.

- Many state and federal agencies are required by law to procure or develop accessible offerings based on technical standards, but gaps in internal governance and commitment by industry inhibits the adoption and implementation of these standards.
- Agency procurement organizations need assurances that vendors have the ability to produce accessible offerings and continue

9. Does the PDAA replace VPATs?

No. VPATs (Voluntary Product Assessment Templates) are product-specific. PDAA is a holistic presentation of the organization's approach to accessibility. VPATs are still a valuable tool at the product level, and the expectation is that vendors with mature

10. Why a “maturity model” of evaluation?

Successfully enabling an organization for ICT accessibility requires implementation within various areas of an organization. As with any organization-wide initiative, implementation cannot occur all at once. The PDAA Maturity Model is used to gauge progress (<http://publishingext.dir.texas.gov/portal/internal/resources/DocumentLibrary/PDAA%20Maturity%20Matrix.pptx>)

11. Why should we support vendors who have mature PDAA practices?

A mature accessibility policy implementation signals that the vendor is fully aware of the implications of accessibility requirements and is prepared to resolve any issues in a timely manner with minimal friction. It also makes it more likely that the vendor understands that accessibility is more than meeting a set of technical guidelines or standards, and that usability will be a factor in how they go about meeting the technical requirements. Accessibility that is planned, designed, and built in from the beginning

12. How should we score PDAA information?

In general, the PDAA questionnaire is meant to ensure that the same information is collected from all bidders, and how the agency uses that information will depend on circumstances. offerings or Vendors by the procuring organization.

PDAA evaluation is an area that will need some practical experience, and we hope that organizations will share what they learn.

13. Where does the PDAA information fit within the procurement process?

Using consistent information in evaluating bids is a key element of open and competitive public procurements. The information given in a PDAA report can help judge the ability of a Vendor to: complete a VPAT correctly, produce accessible custom ICT offerings (web sites, web applications, software, etc.), resolve accessibility defects when discovered, and otherwise be a partner in helping you meet your compliance obligations. The specific role of PDAA responses may be determined in part by the procurement laws,

14. What happens if the vendor claims the information is confidential or a trade secret?

Vendors often claim this for information required in procurements. Your organization's procurement laws, policies, or practices may already address how you handle such claims.

15. What other states are using the PDAA model?

The PDAA model is in its early stages. A coalition of states are working with several national associations to harmonize the criteria for this model, and for obtaining and evaluating PDAA information. The goal is for more states and other government entities to

7. Software License, Service and Leasing Agreements

A. Software License Agreement

1) Customers acquiring software licenses under the Contract shall hold, use and operate such software subject to compliance with the Software License Agreement set forth in Appendix D of this Contract. No changes to the Software License Agreement terms and conditions may be made unless previously agreed to between Vendor and DIR. Customers may not add, delete or alter any of the language in Appendix D; provided however, that a Customer and Vendor may agree to additional terms and conditions that do not diminish a term or condition in the Software License Agreement, or in any manner lessen the rights or protections of Customer or the responsibilities or liabilities of Vendor. rder Fulfiller shall make the Software License Agreement terms and conditions available to all Customers at all times.

2) Compliance with the Software License Agreement is the responsibility of the Customer. DIR shall not be responsible for any Customer's compliance with the Software License Agreement. If DIR purchases software licenses for its own use under this Contract, it shall be responsible for its compliance with the Software License Agreement terms and conditions.

B. Shrink/Click-wrap License Agreement

Regardless of any other provision or other license terms which may be issued by Vendor after the effective date of this Contract, and irrespective of whether any such provisions have been proposed prior to or after the issuance of a Purchase Order for products licensed under this Contract, or the fact that such other agreement may be affixed to or accompany software upon delivery (shrink-wrap), the terms and conditions set forth in this Contract shall supersede and govern the license terms between Customers and Vendor. **It is the Customer's responsibility to read the Shrink/Click-wrap License Agreement and determine if the Customer accepts the license terms as amended by this Contract. If the Customer does not agree with the license terms, Customer shall be responsible for negotiating with the reseller to obtain additional changes in the Shrink/Click-wrap License Agreement language from the software publisher.**

C. Service Agreement

Services provided under this Contract shall be in accordance with the Service Agreement as set forth in Appendix E of this Contract. No changes to the Service Agreement terms and conditions may be made unless previously agreed to by Vendor and DIR.

D. Conflicting or Additional Terms

In the event that conflicting or additional terms in Vendor Software License Agreements, Shrink/Click Wrap License Agreements, Service Agreements or linked or supplemental documents amend or diminish the rights of DIR Customers or the State, such conflicting or additional terms shall not take precedence over the terms of this Contract.

In the event of a conflict, any linked documents may not take precedence over the printed or referenced documents comprising this contract; provided further that any update to such linked documents shall only apply to purchases or leases of the associated Vendor product or service offering after the effective date of the update; and, provided further, that, if Vendor has responded to a solicitation or request for pricing, no update of such linked documents on or after the initial date of Vendor's initial response shall apply to that purchase unless Vendor directly informs Customer of the update before the purchase is consummated.

In the event that different or additional terms or conditions would otherwise result from accessing a linked document, agreement to said linked document shall not be effective until reviewed and approved in writing by Customer's authorized signatory.

Vendor shall not [without prior written agreement from Customer's authorized signatory,] require any document that: 1) diminishes the rights, benefits, or protections of the Customer, or that alters the definitions, measurements, or method for determining any authorized rights, benefits, or protections of the Customer; or 2) imposes additional costs, burdens, or obligations upon Customer, or that alters the

definitions, measurements, or method for determining any authorized costs, burdens, or obligations upon Customer.

If Vendor attempts to do any of the foregoing, the prohibited documents will be void and inapplicable to the contract between DIR and Vendor or Vendor and Customer, and Vendor will nonetheless be obligated to perform the contract without regard to the prohibited documents, unless Customer elects instead to terminate the contract, which in such case may be identified as a termination for cause against Vendor.

The foregoing requirements apply to all contracts, including, but not limited to, contracts between Customer and a reseller who attempts to pass through documents and obligations from its Manufacturer or Publisher.

8. Authorized Exceptions to Appendix A, Standard Terms and Conditions for Product and Related Services Contracts.

No exceptions have been agreed to by DIR and Vendor.

Vendor specifically agrees that the Work Product shall be considered “works made for hire” and that the Work Product shall, upon creation, be owned exclusively by Customer. To the extent that the Work Product, under applicable law, may not be considered works made for hire, Vendor hereby agrees that the Contract effectively transfers, grants, conveys, assigns, and relinquishes exclusively to Customer all right, title and interest in and to all ownership rights in the Work Product, and all Intellectual Property Rights in the Work Product, without the necessity of any further consideration, and Customer shall be entitled to obtain and hold in its own name all Intellectual Property Rights in and to the Work Product. Vendor acknowledges that Vendor and Customer do not intend Vendor to be a joint author of the Work Product within the meaning of the Copyright Act of 1976. Customer shall have access, during normal business hours (Monday through Friday, 8AM to 5PM) and upon reasonable prior notice to Vendor, to all Vendor materials, premises and computer files containing the Work Product. Vendor and Customer, as appropriate, will cooperate with one another and execute such other documents as may be reasonably appropriate to achieve the objectives herein. No license or other right is granted hereunder to any Third Party IP, except as may be incorporated in the Work Product by Vendor.

C. Further Actions.

Vendor, upon request and without further consideration, shall perform any acts that may be deemed reasonably necessary or desirable by Customer to evidence more fully the transfer of ownership and/or registration of all Intellectual Property Rights in all Work Product to Customer to the fullest extent possible, including but not limited to the execution, acknowledgement and delivery of such further documents in a form determined by Customer. In the event Customer shall be unable to obtain Vendor's signature due to the dissolution of Vendor or Vendor's unreasonable failure to respond to Customer's repeated requests for such signature on any document reasonably necessary for any purpose set forth in the foregoing sentence, Vendor hereby irrevocably designates and appoints Customer and its duly authorized officers and agents as Vendor's agent and Vendor's attorney-in-fact to act for and in Vendor's behalf and stead to execute and file any such document and to do all other lawfully permitted acts to further any such purpose with the same force and effect as if executed and delivered by Vendor, provided however that no such grant of right to Customer is applicable if Vendor fails to execute any document due to a good faith dispute by Vendor with respect to such document. It is understood that such power is coupled with an interest and is therefore irrevocable. Customer shall have the full and sole power to prosecute such applications and to take all other action concerning the Work Product, and Vendor shall cooperate, at Customer's sole expense, in the preparation and prosecution of all such applications and in any legal actions and proceedings concerning the Work Product.

D. Waiver of Moral Rights.

Vendor hereby irrevocably and forever waives, and agrees never to assert, any Moral Rights in or to the Work Product which Vendor may now have or which may accrue to Vendor's benefit under U.S. or foreign copyright or other laws and any and all other residual rights and benefits which arise under any other applicable law now in force or hereafter enacted. Vendor acknowledges the receipt of equitable compensation for its assignment and waiver of such Moral Rights. The term "Moral Rights" shall mean any and all rights of paternity or integrity of the Work Product and the right to object to any modification, translation or use of the Work Product, and any similar rights existing under the judicial or statutory law of any country in the world or under any treaty, regardless of whether or not such right is denominated or referred to as a moral right.

E. Confidentiality.

All documents, information and materials forwarded to Vendor by Customer for use in and preparation of the Work Product shall be deemed the confidential information of Customer, and subject to the license granted by Customer to Vendor under sub-paragraph H. hereunder. Vendor shall not use, disclose, or permit any person to use or obtain the Work Product, or any portion thereof, in any manner without the prior written approval of Customer.

F. Injunctive Relief.

The Contract is intended to protect Customer's proprietary rights pertaining to the Work Product, and the Intellectual Property Rights therein, and any misuse of such rights would cause substantial and irreparable harm to Customer's business. Therefore, Vendor acknowledges and stipulates that a court of competent jurisdiction may immediately enjoin any material breach of the intellectual property, use, and confidentiality provisions of this

Contract, upon a request by Customer, without requiring proof of irreparable injury as same should be presumed.

G. Return of Materials Pertaining to Work Product.

Upon the request of Customer, but in any event upon termination or expiration of this Contract or a Statement of Work, Vendor shall surrender to Customer all documents and things pertaining to the Work Product, including but not limited to drafts, memoranda, notes, records, drawings, manuals, computer software, reports, data, and all other documents or materials (and copies of same) generated or developed by Vendor or furnished by Customer to Vendor, including all materials embodying the Work Product, any Customer confidential information, or Intellectual Property Rights in such Work Product, regardless of whether complete or incomplete. This section is intended to apply to all Work Product as well as to all documents and things furnished to Vendor by Customer or by anyone else that pertain to the Work Product.

H. Vendor License to Use.

Customer hereby grants to Vendor a non-transferable, non-exclusive, royalty-free, fully paid-up license to use any Work Product solely as necessary to provide the Services to Customer. Except as provided in this Section, neither Vendor nor any Subcontractor shall have the right to use the Work Product in connection with the provision of services to its other customers without the prior written consent of Customer, which consent may be withheld in Customer's sole discretion.

I. Third-Party Underlying and Derivative Works.

To the extent that any Vendor IP or Third Party IP are embodied or reflected in the Work Product, or are necessary to provide the Services, Vendor hereby grants to the Customer, or shall obtain from the applicable third party for Customer's benefit, the irrevocable, perpetual, non-exclusive, worldwide, royalty-free right and license, for Customer's internal business purposes only, to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative works based upon such Vendor IP or Third Party IP and any derivative works thereof embodied in or delivered to Customer in conjunction with the Work Product, and (ii) authorize others to do any or all of the foregoing. Vendor agrees to notify Customer on delivery of the Work Product or Services if such materials include any Third Party IP. On request, Vendor shall provide Customer with documentation indicating a third party's written approval for Vendor to use any Third Party IP that may be embodied or reflected in the Work Product.

J. Agreement with Subcontracts.

Vendor agrees that it shall have written agreement(s) that are consistent with the provisions hereof related to Work Product and Intellectual Property Rights with any employees, agents, consultants, contractors or subcontractors providing Services or Work Product pursuant to the Contract, prior to their providing such Services or Work Product, and that it shall maintain such written agreements at all times during performance of this Contract, which are sufficient to support all performance and grants of rights by Vendor. Copies of such agreements shall be provided to the Customer promptly upon request.

K. License to Customer.

Vendor grants to Customer, a perpetual, irrevocable, royalty free license, solely for the Customer's internal business purposes, to use, copy, modify, display, perform (by any means), transmit and prepare derivative works of any Vendor IP embodied in or delivered to Customer in conjunction with the Work Product. The foregoing license includes the right to sublicense third parties, solely for the purpose of engaging such third parties to assist or carryout Customer's internal business use of the Work Product. Except for the preceding license, all rights in Vendor IP remain in Vendor.

L. Vendor Development Rights.

To the extent not inconsistent with Customer's rights in the Work Product or as set forth herein, nothing in this Contract shall preclude Vendor from developing for itself, or for others, materials which are competitive with those produced as a result of the Services provided hereunder, provided that no Work Product is utilized, and no Intellectual Property Rights of Customer therein are infringed by such competitive materials. To the extent that Vendor wishes to use the Work Product, or acquire licensed rights in certain Intellectual Property Rights of Customer therein in order to offer competitive goods or services to third parties, Vendor and Customer agree to negotiate in good faith regarding an appropriate license and royalty agreement to allow for such.

Such revised pricing lists are subject to review by DIR. If DIR finds that a product's or service's price has been increased unreasonably, DIR may request Vendor to reduce its pricing for the product or service to the level published before the revision. MASTER LEASE AGREEMENT

1. Scope.

Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor the Equipment described on each Supplementary Schedule (“Schedule”), which is a separate agreement executed from time to time by Lessor and Lessee and makes specific reference to this Master Lease Agreement (“MLA”). The terms and conditions contained herein shall apply to each Schedule that is properly executed in conjunction with this MLA and made subject to such terms and conditions as if a separate MLA were executed for each Schedule by the Lessee. Each Lessee has made an independent legal and management determination to enter into each Schedule. DIR has not offered or given any legal or management advice to the Lessor or to any Lessee under any Schedule. Lessee may negotiate additional terms or more advantageous terms with the Lessor to satisfy individual procurements, such terms shall be developed by the Lessor and Lessee and stated within a Rider to the MLA or the Schedule. To the extent that any of the provisions of the MLA conflict with any of the terms contained in any Schedule, the terms of the Schedule shall control. It is expressly understood that the term “Equipment” shall refer to the Products and any related Services as allowed within said Contract number DIR-TSO-XXX, as described on a Schedule and any associated items therewith, including but not limited to all parts, replacements, additions, repairs, and attachments incorporated therein and/or affixed thereto, all documentation (technical and/or user manuals), operating system and application software as needed.

If more than one Lessee is named in a Schedule, the liability of each named Lessee shall be joint and several. However, unless DIR leases Equipment for its own use, DIR is not a party to any Schedule executed under this MLA and is not responsible for Rents, payments or any other obligations under such Lessee’s Schedule. The invalidation, fulfillment, waiver, termination, or other disposition of any rights or obligations of either a Lessee or the Lessor or both of them arising from the use of this MLA in conjunction with any one Schedule shall not affect the status of the rights or obligations of either or both of those parties arising from the use of this MLA in conjunction with any other Schedule, except in the Event of Default as provided in Section 23 of this MLA.

Any reference to “MLA” shall mean this Agreement, including the Opinion of Counsel, and any riders, amendments and addenda thereto, and any other documents as may from time to time be made a part hereof upon mutual agreement by DIR and Lessor.

As to conditions precedent to Lessor’s obligation to purchase any Equipment, (i) Lessee shall accept the MLA terms and conditions as set forth herein and execute all applicable documents such as the Schedule, the Acceptance Certificate, Opinion of Counsel, and any other documentation as may be required by the

Lessor that is not in conflict with this MLA, and (ii) there shall be no material adverse change in Lessee's financial condition except as provided for within Section 7 of this MLA.

2. Term of MLA.

The term of this MLA shall commence on the last date of approval by DIR and Lessor of Amendment Number XXX (XX) and shall continue until (i) the obligations of Lessee under every Schedule are fully discharged, (ii) the full and final expiration date of the Contract, or (iii) either party exercises their termination rights as stated within Appendix A, Section 11B of the Contract. In regards to either the Contract expiration date or Contract termination date or the termination of this MLA, before all obligations of Lessee under every Schedule are fully discharged, such Schedules and such other provisions of the Contract and this MLA as may be necessary to preserve the rights of the Lessor or Lessee hereunder shall survive said termination or expiration.

3. Term of Schedule.

The term for each Schedule, executed in conjunction to this MLA, shall commence on the date of execution of an Acceptance Certificate by the Lessee or twenty (20) days after the delivery of the last piece of Equipment to the Lessee ("Commencement Date"), and unless earlier terminated as provided for in the MLA, shall continue for the number of whole months or other payment periods as set forth in the applicable Schedule Term, commencing on the first day of the month following the Commencement Date (or commencing on the Commencement Date if such date is the first day of the month). The Schedule Term may be earlier terminated upon: (i) the Non-appropriation of Funds pursuant to Section 7 of this MLA, (ii) an Event of Loss pursuant to Section 18 of this MLA, or (iii) an Event of Default by Lessee and Lessor's election to cancel the Schedule pursuant to Section 24 of this MLA.

4. Administration of MLA.

- (a) For requests involving the leasing of Equipment, each potential Lessee will submit its request directly to the Lessor. Lessor shall apply the then current Equipment pricing discounts as stated within the Contract or the price as agreed upon by Lessee and Lessor, whichever is lower. Lessor shall submit the lease proposal and all other applicable documents directly to the potential Lessee and negotiate the Schedule terms directly with the potential Lessee.
- (b) All leasing activities in conjunction to this MLA shall be treated as a "purchase sale" in regards to the requirements of the Lessor to report the sale and make payment of the DIR administrative fee as defined within Section 5 of the Contract.
- (c) Upon agreement by Lessor and Lessee on pricing, availability and the like, Lessee may issue a purchase order in the amount indicated on the Schedule to Lessor for the Equipment and reference said Contract number DIR- TSO-XXX on the purchase order. Any pre-printed terms and conditions on the purchase order submitted by the Lessee shall not be effective with respect to the lease of Equipment hereunder.

Rather, the terms and conditions of this MLA and applicable Schedule terms and conditions shall control in all respects.

- (d) Nothing herein shall require the Lessor to use this MLA exclusively with Lessees. Further, this MLA shall not constitute a requirements Agreement and Lessor shall not be obligated to enter into any Schedule for the lease of Equipment with any Lessee.

5. Rent Payments.

During the Schedule Term and any renewal terms, Lessee agrees to pay Lessor Rent Payments. Rent Payments shall be the amount equal to the Rent Payment amount specified in the Schedule multiplied by the amount of the total number of Rent Payments specified therein. Lessee shall pay Rent Payments in the amount and on the due dates specified by Lessor until all Rent Payments and all other amounts due under the Schedule have been paid in full. If the Schedule Commencement Date is other than the first day of a month, Lessee shall make an initial payment on the Schedule Commencement Date in an amount equal to one-thirtieth of the Rent Payment specified in the Schedule for each day from the Schedule Commencement Date (including the Schedule Commencement Date) through the last day of such month (including that day). For example, if a scheduled payment amount is \$3,000 and the Scheduled Commencement date is the 15th of the month, a payment of \$1,500 will be made.

Any amounts received by Lessor from the Lessee in excess of Rent Payments and any other sums required to be paid by the Lessee shall be held as non-interest bearing security for Lessee's faithful performance under the conditions of this MLA and any Schedule. All Rent Payments shall be paid to the Lessor at the address stated on the Schedule or any other such place as the Lessor or its assigns may hereafter direct to the Lessee. Lessee shall abide by Appendix A, Section 8J of the Contract in making payments to the Lessor. Any sum received by the Lessor later than ten (10) business days after its due date will bear interest from such due date at the rate of one-percent (1%) per month (or the maximum rate allowable by law, if less) until paid. Late charges, attorney's fees and other costs or expenses necessary to recover Rent Payments and any other amounts owed by Lessee hereunder are considered an integral part of this MLA.

Each Schedule is a net lease and except as specifically provided herein, Lessee shall be responsible for all costs and expenses arising in connection with the Schedule or Equipment. Lessee acknowledges and agrees, except as specifically provided for in Section 7 of this MLA, that its obligation to pay Rent and other sums payable hereunder, and the rights of Lessor and Lessor's assignees, shall be absolute and unconditional in all events, and shall not be abated, reduced or subject to offset or diminished as a result of any event, including without limitation damage, destruction, defect, malfunction, loss of use, or obsolescence of the Equipment, or any other event, defense, counterclaim or recoupment due or alleged to be due by reason of any past, present or future claims Lessee may have against Lessor, Lessor's assigns, the manufacturer, vendor, or maintainer of the Equipment, or any person for any reason whatsoever.

"Price" shall mean the actual purchase price of the Equipment. Rent Payments shall be adjusted proportionately downward if the actual price of the Equipment is less than the estimate (original proposal), and the Lessee herein authorizes Lessor to adjust the Rent Payments downward in the event of the decrease in the actual Equipment price. However, in the event that the Equipment price is more than the estimate (original proposal), the Lessor may not adjust the Rent Payment without prior written approval of the Lessee.

6. Liens and Taxes.

Lessee shall keep the Equipment free and clear of all levies, liens and encumbrances, except those in favor of Lessor or its assigns, and shall give Lessor immediate notice of any attachment or other judicial process affecting any item of Equipment. Unless Lessee first provides proof of exemption therefrom, Lessee shall promptly reimburse Lessor, upon receipt of an accurate invoice, as an additional sum payable under this MLA, or shall pay directly if so requested by Lessor, all license and registration fees, sales, use, personal property taxes and all other taxes and charges imposed by any federal, state, or local governmental or taxing authority, from which the Lessee is not exempt, whether assessed against Lessee or Lessor, relating to the purchase, ownership, leasing, or use of the Equipment or the Rent Payments, excluding all taxes computed upon the net income of Lessor. Any tax statement received by the Lessor, for taxes payable by the Lessee, shall be promptly forwarded by the Lessor to the Lessee for payment.

7. Appropriation of Funds.

- (a) This paragraph applies only to Lessees designated as state agencies defined in Section 2054.003, Texas Government Code, including institutions of higher education as defined in Texas Education Code, Section 61.003 and those state agencies utilizing a DIR contract through an Interagency Agreement, as authorized by Chapter 771, Texas Government Code.

Lessee intends to continue each Schedule to which it is a party for the Schedule Term and to pay the Rent and other amounts due thereunder. Lessee reasonably believes that legally available funds in an amount sufficient to pay all Rent during the Schedule Term can be obtained. Lessee further intends to act in good faith to do those things reasonably and lawfully within its power to obtain and maintain funds from which the Rent may be paid. Notwithstanding the foregoing, in the event sufficient funds are not appropriated to continue the Schedule Term for any Fiscal Period (as set forth on the Schedule) of Lessee beyond the Fiscal Period first in effect at the Commencement of the Schedule Term, Lessee may terminate the Schedule with regard to not less than all of the Equipment on the Schedule so affected. Lessee shall endeavor to provide Lessor written notice sixty (60) days prior to the end of its current Fiscal Period confirming the Schedule will be so terminated. All obligations of Lessee to pay Rent due after the end of the Fiscal Period for which such termination applies will cease, all interests of Lessee in the Equipment will terminate and Lessee shall surrender the Equipment in accordance with Section 13 of this MLA. Notwithstanding the foregoing, Lessee agrees, without creating a pledge, lien or encumbrance upon funds available to Lessee in other than its current Fiscal Period, that it will use reasonable efforts to obtain appropriation of funds to avoid termination of the Schedule by taking reasonable and appropriate action including the inclusion in Lessee's budget request for each Fiscal Period during the Schedule Term hereof a request for adequate funds to meet its obligations and to continue the Schedule in force. Lessee represents and warrants it has adequate funds to meet its obligations during the first Fiscal Period of the Schedule Term. Lessor and Lessee understand and intend that the obligation of Lessee to pay Rent hereunder shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by Lessee, nor shall anything contained herein constitute a pledge of the general revenues, funds or monies of Lessee or the State of Texas beyond the Fiscal Period for which sufficient funds have been appropriated to pay Rent hereunder.

(b) This paragraph applies only to Lessees designated as local government entities.

Lessee intends to continue each Schedule to which it is a party for the Schedule Term and to pay the Rent and other amounts due thereunder. Lessee reasonably believes that legally available funds in an amount sufficient to pay all Rent during the Schedule Term can be obtained. Lessee further intends to act in good faith to do those things reasonably and lawfully within its power to obtain and maintain funds from which the Rent may be paid. Notwithstanding the foregoing, in the event sufficient funds are not appropriated for Lessee to continue the Schedule Term for any Fiscal Period (as set forth on the Schedule) of the Lessee beyond the Fiscal Period first in effect at the commencement of the Schedule Term, the Lessee may terminate the Schedule with regard to not less than all of the Equipment on the Schedule so affected. Lessee shall endeavor to provide Lessor written notice sixty (60) days prior to the end of its current Fiscal Period confirming the Schedule will be terminated. All obligations of Lessee to pay Rent due after the end of the Fiscal Period first in effect at the commencement of the Schedule Term will cease, all interests of Lessee in the Asset(s) will terminate and Lessee shall surrender the Equipment in accordance with Section 13 of this MLA. Notwithstanding the foregoing, Lessee agrees, without creating a pledge, lien or encumbrance upon funds available to Lessee in other than its current Fiscal Period, that it will use reasonable efforts to obtain appropriation of funds to avoid termination of the Schedule by taking reasonable and appropriate action including the inclusion in Lessee's budget request for each Fiscal Period during the Schedule Term hereof a request for adequate funds to meet its obligations and to continue the Schedule in force. Lessee represents and warrants it has adequate funds to meet its obligations during the first Fiscal Period of the Schedule Term.

8. Selection of Equipment.

The Equipment is the size, design, capacity and manufacture selected by Lessee in its sole judgment and not in reliance on the advice or representations of Lessor. No representation by the manufacturer or a vendor shall in any way affect Lessee's duty to pay Rent and perform its other obligations hereunder. Each Schedule is intended to be a "finance lease" as defined in Article 2A of the Uniform Commercial Code. Lessor has acquired or will acquire the Equipment in connection with this MLA. Lessor shall not be liable for damages for any reason, for any act or omission of the supplying manufacturer. Lessor agrees, to the extent they are assignable, to assign the Lessee, without recourse to Lessor, any warranties provided to Lessor with respect to the Equipment during the Term of the applicable Schedule. Lessee acknowledges that neither its dissatisfaction with any unit of Equipment, nor the failure of any of the Equipment to remain in useful condition for the Schedule Term, nor the loss of possession or the right of possession of the Equipment or any part thereof by the Lessee, shall relieve Lessee from the obligations under this MLA or Schedule Term. Lessee shall have no right, title or interest in or to the Equipment except the right to use the same upon the terms and conditions herein contained. The Equipment shall remain the sole and exclusive personal property of the Lessor and not be deemed a fixture whether or not it becomes attached to any real property of the Lessee. Any labels supplied by Lessor to Lessee, describing the ownership of the Equipment, shall be affixed by Lessee upon a prominent place on each item of Equipment.

9. Inspection and Acceptance.

Promptly upon delivery of the Equipment, Lessee will inspect and test the Equipment, and not later than ten (10) business days following the Commencement Date, Lessee will execute and deliver either (i) an Acceptance Certificate, or (ii) written notification of any defects in the Equipment. If Lessee has not given

notice within such time period, the Equipment shall be conclusively deemed accepted by the Lessee as of the tenth (10th) business day. Lessor, its assigns or their agents, shall be permitted free access at reasonable times authorized by the Lessee, the right to inspect the Equipment.

10. Installation and Delivery; Use of Equipment; Repair and Maintenance.

- (a) All transportation, delivery, and installation costs associated with the Equipment shall be borne by the Lessee. Lessor is not and shall not be liable for damages if for any reason the manufacturer of the Equipment delays the delivery or fails to fulfill the order by the Lessee's desired timeframe. Any delay in delivery by the manufacturer shall not affect the validity of any Schedule. Lessee shall provide a place of installation for the Equipment, which conforms to the requirements of the manufacturer and Lessor.
- (b) Subject to the terms hereof, Lessee shall be entitled to use the Equipment in compliance with all laws, rules, and regulations of the jurisdiction wherein the Equipment is located and will pay all cost, claims, damages, fees and charges arising out of its possession, use or maintenance. Lessee agrees to solely use the Equipment in the conduct of Lessee's business. Lessee agrees, at its expense, to obtain all applicable permits and licenses necessary for the operation of the Equipment, and keep the Equipment in good working order, repair, appearance and condition (reasonable wear and tear is acceptable). Lessee shall not use or permit the use of the Equipment for any purpose, which according to the specification of the manufacturer, the Equipment is not designed or reasonably suited. Lessee shall use the Equipment in a careful and proper manner and shall comply with all of the manufacturer's instructions, governmental rules, regulations, requirements, and laws, and all insurance requirements, if any, with regard to the use, operation or maintenance of the Equipment.
- (c) Lessee, at its expense, shall take good and proper care of the Equipment and make all repairs and replacements necessary to maintain and preserve the Equipment and keep it in good order and condition. Unless Lessor shall otherwise consent in writing, Lessee shall, at its own expense, enter into and maintain in force a maintenance agreement covering each unit of Equipment. Lessee shall furnish Lessor with a copy of such agreement, upon request. Lessee shall pay all costs to install and dismantle the Equipment. Lessee shall not make any alterations, additions, or improvements, or add attachments to the Equipment without the prior written consent of Lessor, except for additions or attachments to the Equipment purchased by Lessee from the original supplier of the Equipment or any other person approved by Lessor. If Lessee desires to lease any such additions or attachments, Lessee hereby grants to Lessor the right of first refusal to provide such lease financing to Lessee for such items. Subject to the provisions of Section 13B of this MLA, Lessee agrees to restore the Equipment to Return Condition prior to its return to the Lessor.

11. Relocation of Equipment.

Lessee shall at all times keep the Equipment within its exclusive possession and control. Upon Lessor's prior written consent, which shall not be unreasonably withheld, Lessee may move the Equipment to another location of Lessee within the continental United States, provided (i) Lessee is not in default on any Schedule, (ii) Lessee executes and causes to be filed at its expense such instruments as are necessary to preserve and protect the interests of Lessor and its assigns in the Equipment, (iii) Lessee pays all costs of, and provides adequate insurance during such movement, and (iv) Lessee pays all costs otherwise associated with such

relocation. Notwithstanding the foregoing, Lessee may move the Equipment to another location within Texas without notification to, or the consent of, Lessor. Provided, however, that not later than December 31 of each calendar year, Lessee shall provide Lessor a written report detailing the total amount of Equipment at each location of Lessee as of that date, and the complete address for each location. Lessor shall make all filings and returns for property taxes due with respect to the Equipment, and Lessee agrees that it shall not make or file any property tax returns, including information returns, with respect to the Equipment.

12. Ownership.

The Equipment shall at all times be and remain the sole and exclusive property of Lessor, subject to the parties rights under any applicable software license agreement. Lessee shall have no right, title or interest in the Equipment except a leasehold interest as provided for herein. Lessee agrees that the Equipment shall be and remain personal property and shall not be so affixed to realty as to become a fixture or otherwise to lose its identity as the separate property of the Lessor. Upon request, Lessee will enter into any and all agreements necessary to ensure that the Equipment remain the personal property of Lessor.

13. Purchase and Renewal Options; Location and Surrender of Equipment.

- (a) Not less than ninety (90) days prior to the expiration of the initial Schedule Term Lessor shall notify Lessee of options for continued use of Equipment. Lessee shall have the option to: (i) renew the Schedule as to all but not less than all of the Equipment, or (ii) purchase all but not less than all of the Equipment for cash or by the Lessor's acceptance of a purchase order from Lessee upon the last business day on or prior to the expiration of the Schedule Term thereof for a price equal to the amount set forth in the Schedule. If the Fair Market Value (FMV) Purchase Option was selected on the Schedule, the FMV shall be determined on the basis of and shall be equal in amount to, the value which would be obtained in an arms-length transaction between an informed and willing buyer-user (other than a used equipment dealer), who would be retaining the Equipment as part of its current operations, in continuing and consistent use, and an informed and willing seller under no compulsion to sell, and in such determination, costs of removal from the location of current use shall not be a deduction from such value. If Lessee desires to exercise either option, it shall give Lessor irrevocable written notice of its intention to exercise such option at least sixty (60) days (and not more than 180 days) before the expiration of such Schedule Term. In the event that Lessee exercises the purchase option described herein, upon payment by Lessee to Lessor of the purchase price for the Equipment, together with all Rent Payments and any other amounts owing to Lessor hereunder, Lessor shall transfer to Lessee without any representation or warranty of any kind, express or implied, title to such Equipment. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, IF LESSEE FAILS TO NOTIFY LESSOR OF ITS INTENT WITH RESPECT TO THE EXERCISE OF THE OPTIONS DESCRIBED IN THIS SECTION 13 WITHIN THE TIME FRAMES CONTEMPLATED HEREIN, THE INITIAL SCHEDULE TERM SHALL BE TERMINATED ON THE DATE AS STATED IN THE SCHEDULE.
- (b) The Equipment shall be delivered to and thereafter kept at the location specified in the Schedule and shall not be removed therefrom without Lessor's prior written consent and in accordance with Section 11 of this MLA. Upon the expiration, early termination as provided herein, or upon final termination of the Schedule, upon at least ninety (90) days prior written notice to Lessor, Lessee at its cost and expense, shall immediately disconnect, properly package for transportation and return all (not part) of the Equipment (including, without limitation, all service records and user manuals), freight prepaid, to

Lessor in good repair, working order, with unblemished physical appearance and with no defects which affect the operation or performance of the Equipment ("Return Condition"), reasonable wear and tear excepted. Lessee shall, at Lessor's request, affix to the Equipment, tags, decals or plates furnished by Lessor indicating Lessor's ownership and Lessee shall not permit their removal or concealment. Lessee shall return the Equipment to Lessor at a location specified by Lessor, provided, however, such location shall be within the United States no farther than 500 miles from the original Lessee delivery location, unless otherwise agreed to on the applicable Schedule. If the Equipment is not in Return Condition, Lessee shall remain liable for all reasonable costs required to restore the Equipment to Return Condition. Lessee shall arrange and pay for the de-installation and packing of the Equipment and the de-installation shall be performed by manufacturer-certified technicians, approved by Lessor and the Lessor shall have the right to supervise and direct the preparation of the Equipment for return. IF, UPON TERMINATION OR EXPIRATION OF THE SCHEDULE FOR ANY REASON, LESSEE FAILS OR REFUSES FORTHWITH TO RETURN AND DELIVER THE EQUIPMENT TO LESSOR, LESSEE SHALL REMAIN LIABLE FOR ANY RENT PAYMENTS ACCRUED AND UNPAID WITH RESPECT TO ALL OF THE EQUIPMENT ON THE SCHEDULE AND SHALL PAY RENT UP TO THE DATE THAT THE EQUIPMENT IS RETURNED TO THE ADDRESS SPECIFIED BY LESSOR. Notwithstanding the foregoing, Lessor shall have the right, without notice or demand, to enter Lessee's premises or any other premises where the Equipment may be found and to take possession of and to remove the Equipment, at Lessee's sole cost and expense, without legal process. Lessee understands that it may have a right under law to notice and a hearing prior to repossession of the Equipment. As an inducement to Lessor to enter into a transaction, but only to the extent that Lessee, if a state agency, has statutory authority to do so, Lessee hereby expressly waives all rights conferred by existing law to notice and a hearing prior to such repossession by Lessor or any officer authorized by law to effect repossession and hereby releases Lessor from all liability in connection with such repossession. Without waiving the doctrines of sovereign immunity and immunity from suit and to the extent authorized by the constitution and laws of the State of Texas, Lessee's obligation to return Equipment may, at Lessor's option, be specifically enforced by Lessor.

14. Quiet Enjoyment.

During the Schedule Term, Lessor shall not interfere with Lessee's quiet enjoyment and use of the Equipment provided that an Event of Default (as hereinafter defined in Section 23 of the MLA) has not occurred.

15. Warranties.

Lessor and Lessee acknowledge that manufacturer Equipment warranties, if any, inure to the benefit of the Lessee. Lessee agrees to pursue any warranty claim directly against such manufacturer of the Equipment and shall not pursue any such claim against Lessor. Lessee shall continue to pay Lessor all amounts payable under any Schedule under any and all circumstances.

16. No Warranties.

LESSEE ACKNOWLEDGES THAT LESSOR IS NOT THE MANUFACTURER OR LICENSOR OF THE EQUIPMENT. LESSEE AGREES THAT LESSOR HAS NOT MADE AND MAKES NO REPRESENTATIONS OR WARRANTIES OF WHATSOEVER NATURE, DIRECTLY OR

INDIRECTLY, EXPRESS OR IMPLIED, AS TO THE SUITABILITY, DURABILITY, FITNESS FOR USE, MERCHANTABILITY, CONDITION, OR QUALITY OF THE EQUIPMENT OR ANY UNIT THEREOF. LESSEE SPECIFICALLY WAIVES ALL RIGHT TO MAKE CLAIM AGAINST LESSOR FOR BREACH OF ANY EQUIPMENT WARRANTY OF ANY KIND WHATSOEVER; AND WITH RESPECT TO LESSOR, LESSEE LEASES EQUIPMENT "AS IS". LESSOR SHALL NOT BE LIABLE TO LESSEE FOR ANY LOSS, DAMAGE, OR EXPENSE OF ANY KIND OR NATURE CAUSED DIRECTLY OR INDIRECTLY BY ANY EQUIPMENT LEASED HEREUNDER, OR BY THE USE OR MAINTENANCE THEREOF, OR BY THE REPAIRS, SERVICE OR ADJUSTMENT THERETO OR ANY DELAY OR FAILURE TO PROVIDE ANY THEREOF, OR BY ANY INTERRUPTION OF SERVICE OR LOSS OF USE THEROF, OR FOR ANY LOSS OF BUSINESS OR DAMAGE WHATSOEVER AND HOWSOEVER CAUSED WITHOUT IN ANY WAY IMPLYING THAT ANY SUCH WARRANTY EXISTS AND WITHOUT INCREASING ITS LIABILITY HEREUNDER, TO ASSIGN TO LESSEE UPON LESSEE'S REQUEST THEREFOR ANY WARRANTY OF A MANUFACTURER OR LICENSOR OR SELLER RELATING TO THE EQUIPMENT THAT MAY HAVE BEEN GIVEN TO LESSOR.

17. Indemnification.

- (a) Without waiving the doctrines of sovereign immunity and immunity from suit, and to the extent permitted by the laws and Constitution of the State of Texas, Lessee shall indemnify, protect, save and hold harmless Lessor, its agents, servants and successors from and against all losses, damages, injuries, claims, demands and expenses, including legal expenses and attorney's fees, of whatsoever nature, arising out of the use, misuse, condition, repair, storage, return or operation (including, but not limited to, latent and other defects, whether or not discoverable by it) of any unit of Equipment, regardless of where, how and by whom operated, and arising out of negligence (excluding the gross negligence or willful misconduct of Lessor). Lessee is liable for the expenses of the defense or the settlement of any suit or suits or other legal proceedings brought to enforce any such losses, damages, injuries, claims, demands, and expenses and shall pay all judgments entered in any such suit or suits or other legal proceedings. The indemnities and assumptions of liabilities and obligations herein provided for shall continue in full force and effect notwithstanding the termination of the MLA or a Schedule whether by expiration of time, by operation of law or otherwise. With respect to Lessor, Lessee is an independent contractor, and nothing contained herein authorizes Lessee or any other person to operate the Equipment so as to impose or incur any liability or obligation for or on behalf of Lessor.
- (b) Without waiving the doctrines of sovereign immunity and immunity from suit, and to the extent permitted by the laws and Constitution of the State of Texas, Lessee and DIR individually and collectively assume all risks and liabilities with respect to any claim made by any third party that the lease arrangements herein are not authorized by law. Without waiving the doctrines of sovereign immunity and immunity from suit, and to the extent permitted by the laws and Constitution of the State of Texas, Lessee and DIR agree to indemnify, save and hold harmless Lessor from any and all such claims and all expenses incurred in connection with such claims or to defend against such claims, including without limitation any judgments by a court of competent jurisdiction or settlement or compromise with such claimant.
- (c) Lessor is the owner of the Equipment and has title to the Equipment. If any other person attempts to claim ownership of the Equipment by asserting that claim against Lessee or through Lessee, Lessee

agrees, at its expense, to protect and defend Lessor's title to the Equipment. Lessee further agrees that it will at all times keep the Equipment free from any legal process, encumbrance or lien whatsoever, and Lessee shall give Lessor immediate notice if any legal process, encumbrance or lien is asserted or made against the Equipment.

SAMPLE

18. Risk of Loss.

Commencing upon delivery and continuing throughout the Schedule Term, Lessee shall bear the entire risk of loss or damage in respect to any Equipment, whether partial or complete, from any cause whatsoever. In the event of loss, theft, destruction or damage of any kind to any item of Equipment, or if any Equipment is lost stolen, or taken by governmental action for a stated period extending beyond the Term of any Schedule (an "Event of Loss"), Lessee shall promptly notify Lessor. Lessee shall, at its option: (a) immediately place the affected Equipment in good condition and working order, (b) replace the affected Equipment with identical equipment of at least equal value, in good condition and repair, and transfer clear title thereto to Lessor, or (c) to the extent permitted by law, pay to Lessor, within thirty (30) days of the Event of Loss, an amount equal to the Stipulated Loss Value ("SLV" as hereafter defined) for such affected Equipment, plus any other unpaid amounts then due under the Schedule. If an Event of Loss occurs as to part of the Equipment for which the SLV is paid, a prorated amount of each Rent Payment shall abate from the date the SLV payment is received by Lessor. The SLV shall be an amount equal to the sum of all future Rent Payments from the last Rent Payment date to the end of the Schedule Term with such Rent Payments discounted to present value at the like-term Treasury Bill rate for the remaining Schedule Term in effect on the date of such Event of Loss, or if such rate is not permitted by law, then at the lowest permitted rate.

In the event of a governmental taking of Equipment for an indefinite period or for a stated period, which does not extend beyond the Schedule Term, all obligations of the Lessee with respect to such Equipment (including payment of Rent) shall continue. So long as Lessee is not in default hereunder, Lessor shall pay to Lessee all sums received by Lessor from the government by reason of such taking.

19. Insurance.

At its expense, Lessee shall keep the Equipment insured against all risks of loss and damage with companies acceptable to Lessor for an amount equal to the original cost of the Equipment, with Lessor or its assign(s) named as a loss payee. Lessee shall also maintain comprehensive general liability insurance, with Lessor or its assign(s) named as an additional insured. Lessee shall be liable for any loss not covered by insurance. All said insurance shall be in form and amount satisfactory to Lessor. Lessee shall pay the premiums therefor and deliver to Lessor or its assign(s) the certificates of insurance or duplicates thereof or other evidence satisfactory to Lessor or its assign(s) of such insurance coverage. Evidence of such insurance coverage shall be furnished no later than the Schedule Commencement Date of each Schedule and from time to time as Lessor or its assign(s) may request. Lessee hereby irrevocably appoints Lessor as Lessee's attorney-in-fact to make claim for, receive payment of, and execute and endorse all documents, checks or drafts received in payment for loss or damage under any said insurance policy. Lessee may self-insure with respect to the required coverage.

Further, Lessees that are defined as state agencies in accordance with Section 2054.003, Texas Government Code (including institutions of higher education as defined in Texas Education Code, Section 61.003) and those purchasing from a DIR contract through an Interagency Agreement, as authorized by Chapter 771, Texas Government Code, may self-insure their obligations in this section.

20. Representations and Warranties of Lessee.

Lessee represents and warrants for the benefit of Lessor and its assigns, and Lessee will provide an opinion of counsel to the effect that, as of the time of execution of the MLA and each Schedule between Lessor and Lessee:

Lessee shall be in default under a Schedule upon the occurrence of any one or more of the following events (each an "Event of Default"): (a) nonpayment or incomplete payment by Lessee of Rent or any other sum payable; (b) nonpayment or incomplete payment by Lessee of Rent or any other sum payable on its due date; (c) failure by Lessee to perform or observe any other term, covenant or condition of this MLA, any Schedule, or any applicable software license agreement, which is not cured within ten (10) days after notice thereof from Lessor; (d) insolvency by Lessee; (e) Lessee's filing of any proceedings commencing bankruptcy or the filing of any involuntary petition against Lessee or the appointment of any receiver not dismissed within sixty (60) days from the date of said filing or appointment; (f) subjection of a substantial part of Lessee's property or any part of the Equipment to any levy, seizure, assignment or sale for or by any creditor or governmental agency; or (g) any representation or warranty made by Lessee in this MLA, any Schedule or in any document furnished by Lessee to Lessor in connection therewith or with the acquisition or use of the Equipment being or becoming untrue in any material respect.

24. Remedies.

- (a) Upon the occurrence of an "Event of Default" and at any time thereafter Lessor may, in its sole discretion, do any one or more of the following: (i) After giving fifteen (15) days prior written notice to Lessee of default, during which time Lessee shall have the opportunity to cure such default, terminate any or all Schedules executed by Lessor and the defaulting Lessee; (ii) without Lessee and DIR waiving the doctrines of sovereign immunity and immunity from suit, and to the extent allowed by the laws and Constitution of the State of Texas, Lessor may proceed by appropriate court action to enforce the performance of the terms of the Schedule and/or recover damages, including all of Lessor's economic loss for the breach thereof; (iii) whether or not the Schedule is terminated, upon notice to Lessee, take possession of the Equipment wherever located, without demand, liability, court order or other process of law, and for such purposes Lessee, to the extent authorized by Texas law, hereby authorizes Lessor, its assigns or the agents of either to enter upon the premises where such Equipment is located or cause Lessee, and Lessee hereby agrees, to return such Equipment to Lessor in accordance with the requirements of Section 13 of the MLA; (iv) by notice to Lessee, and to the extent permitted by law, declare immediately due and payable and recover from Lessee, as liquidated damages and as a remedy, the sum of (a) the present value of the Rent owed from the earlier of the date of payment by Lessee or the date Lessor obtains a judgment against Lessee until the end of the Schedule Term plus, if the Equipment is not returned to or repossessed by Lessor, the present value of the estimated in-place fair market value of the Equipment at the end of the Schedule Term as determined by Lessor, each discounted at a rate equal to the rate used by Lessor for business

opportunity analysis; (b) all Rent and other amounts due and payable on or before the earlier of the date of payment by Lessee or the date Lessor obtains a judgment against Lessee; and (c) without Lessee and DIR waiving the doctrines of sovereign immunity and immunity from suit, and to the extent allowed by the laws and Constitution of the State of Texas, costs, fees (including all attorneys' fees and court costs) and expenses associated with collecting said sums; and (d) interest on (a) and (b) from the date of default at 1 ½% per month or portion thereof (or the highest rate allowable by law, if less) and, on (c) from the date Lessor incurs such fees, costs or expenses.

- (b) Upon return or repossession of the Equipment, Lessor may, if it so decides in its sole discretion, upon notice to Lessee, use reasonable efforts to sell, re-lease or otherwise dispose of such Equipment, in such manner and upon such terms as Lessor may determine in its sole discretion, so long as such manner and terms are commercially reasonable. Upon disposition of the Equipment, Lessor shall credit the Net Proceeds (as defined below) to the damages paid or payable by Lessee. Proceeds upon sale of the Equipment shall be the sale price paid to Lessor less the Stipulated Loss Value in effect as of the date of default. Proceeds upon a re-lease of the Equipment shall be all rents to be received for a term not to exceed the remaining Schedule Term, discounted to present value as of the commencement date of the re-lease at the Lessor's current applicable debt rate. Without Lessee and DIR waiving the doctrines of sovereign immunity and immunity from suit, and to the extent allowed by the laws and Constitution of the State of Texas, "Net Proceeds" shall be the Proceeds of sale or re-lease as determined above, less all costs and expenses incurred by Lessor in the recovery, storage and repair of the Equipment, in the remarketing or disposition thereof, or otherwise as a result of Lessee's default, including any court costs and attorney's fees and interest on the foregoing at eighteen percent (18%) per annum or the highest rate allowable by law, if less, calculated from the dates such costs and expenses were incurred until received by Lessor. Lessee shall remain liable for the amount by which all sums, including liquidated damages, due from Lessee exceeds the Net Proceeds. Net Proceeds in excess thereof are the property of and shall be retained by Lessor.
- (c) No termination, repossession or other act by Lessor in the exercise of its rights and remedies upon an Event or Default shall relieve Lessee from any of its obligations hereunder. No remedy referred to in this Section is intended to be exclusive, but each shall be cumulative and in addition to any other remedy referred to above or otherwise available to Lessor at law or in equity.
- (d) Neither DIR nor non-defaulting Lessees shall be deemed in default under the MLA or Schedules because of the default of a particular Lessee. Lessor's remedies under this Section 24 shall not extend to DIR and those non-defaulting Lessees.

25. Notices and Waivers.

DIR, Lessee, and Lessor intend and agree that a photocopy or facsimile of this MLA or a Schedule and all related documents, including but not limited to the Acceptance Certificate, with their signatures thereon shall be treated as originals, and shall be deemed to be as binding, valid, genuine, and authentic as an original

signature document for all purposes. This MLA and those Schedules in conjunction hereof are a “Finance Lease” as defined in Article 2A of the Uniform Commercial Code (“UCC”). A waiver of a specific Default shall not be a waiver of any other or subsequent Default. No waiver of any provision of this MLA or a provision of a Schedule shall be a waiver of any other provision or matter, and all such waivers shall be in writing and executed by an officer of the Lessor. No failure on the part of Lessor to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof.

26. Assignment by Lessor; Assignment or Sublease by Lessee.

- (a) Lessor may (i) assign all or a portion of Lessor’s right, title and interest in this MLA and/or any Schedule; (ii) grant a security interest in the right, title and interest of Lessor in the MLA, any Schedule and/or any Equipment; and/or (iii) sell or transfer its title and interest as owner of the Equipment and/or as Lessor under any Schedule; and DIR and each Lessee leasing Equipment under the MLA understand and agree that Lessor’s assigns may each do the same (hereunder collectively “Assignment”). All such Assignments shall be subject to each Lessee’s rights under the Schedule(s) executed between it and Lessor and to DIR’s rights under the MLA. Each Lessee leasing Equipment through Schedules under this MLA and DIR hereby consent to such Assignments and agree to execute and deliver promptly such acknowledgements, Opinions of Counsel and other instruments reasonably requested to effect such Assignment. Each Lessee leasing Equipment through Schedules under this MLA and DIR acknowledge that the assigns do not assume Lessor’s obligations hereunder and agree to make all payments owed to the assigns without abatement and not to assert against the assigns any claim, defense, setoff or counterclaim which DIR or the Lessee(s) may possess against the Lessor or any other party for any other reason. Lessor shall remain liable for performance under the MLA and any Schedule(s) executed hereunder to the extent Lessor’s assigns do not perform Lessor’s obligations under the MLA and Schedule(s) executed hereunder. Upon any such Assignment, all references to Lessor shall also include all such assigns, whether specific reference thereto is otherwise made herein.
- (b) **LESSEE WILL NOT SELL, ASSIGN, SUBLET, PLEDGE OR OTHERWISE ENCUMBER, OR PERMIT A LIEN TO EXIST ON OR AGAINST ANY INTEREST IN THIS LEASE, OR THE EQUIPMENT, OR REMOVE THE EQUIPMENT FROM ITS LOCATION REFERRED TO ON THE SCHEDULE, WITHOUT LESSOR’S PRIOR WRITTEN CONSENT EXCEPT AS PROVIDED IN SECTION 11 OF THIS MLA. LESSOR MAY ASSIGN ITS INTEREST IN THIS LEASE AND SELL OR GRANT A SECURITY INTEREST IN ALL OR ANY PART OF THE EQUIPMENT WITHOUT LESSEE’S CONSENT. LESSEES THAT ARE STATE AGENCIES, WITHOUT WAIVING THE DOCTRINE OF SOVEREIGN IMMUNITY AND IMMUNITY FROM SUIT, AND ONLY AS MAY BE AUTHORIZED BY THE CONSTITUTION AND LAWS OF THE STATE OF TEXAS, AGREE THAT IN ANY ACTION BROUGHT BY AN ASSIGNEE AGAINST LESSEE TO ENFORCE LESSOR’S RIGHTS HEREUNDER, LESSEE WILL NOT ASSERT AGAINST SUCH ASSIGNEE AND EXPRESSLY WAIVES AS AGAINST ANY ASSIGNEE, ANY BREACH OR DEFAULT ON THE PART OF LESSOR HEREUNDER OR ANY OTHER DEFENSE, CLAIM OR SET-OFF WHICH LESSEE MAY HAVE AGAINST LESSOR EITHER HEREUNDER OR OTHERWISE. NO SUCH ASSIGNEE SHALL BE OBLIGATED TO PERFORM ANY OBLIGATION, TERM OR CONDITION REQUIRED TO BE PERFORMED BY LESSOR HEREUNDER.** Without the prior written consent of Lessor,

DIR shall not assign, sublease, transfer, pledge or hypothecate the Master Lease Agreement; provided, however, that no such prior written consent from Lessor is necessary in the event of a legislative mandate to transfer the contract to another state agency.

27. Delivery of Related Documents.

For each Schedule, Lessee will provide the following documents and information satisfactory to Lessor: (a) Certificate of Acceptance; (b) Opinion of Counsel; (c) proof of self-insurance acceptable to Lessor; (d) Financial Statements; (e) Incumbency Certificate; and (f) Other documents as reasonably required by Lessor.

Lessee agrees that any delay or failure to enforce Lessor's rights under this MLA or a Schedule does not prevent Lessor from enforcing any rights at a later time.

29. Security Interest and UCC Filings.

To secure payments hereunder, Lessor reserves and Lessee hereby grants to Lessor a continuing security interest in the Equipment and any and all additions, replacements, substitutions, and repairs thereof. When all of the Lessee's obligations under this MLA and respective Schedules have been fully paid and satisfied, Lessor's security interest shall terminate. Nothing contained herein shall in any way diminish Lessor's right, title, or interest in or to the Equipment. Lessor and Lessee agree that a reproduction of this MLA and/or any associated Schedule may be filed as a financing statement and shall be sufficient as a financing statement under the Uniform Commercial Code ("UCC"). Lessee hereby appoints Lessor, its agents, successors or assigns its true and lawful attorney-in-fact for the limited purpose of executing and filing on behalf of Lessee any and all UCC Financing Statements which in Lessor's sole discretion are necessary or proper to secure Lessor's interest in the Equipment in all applicable jurisdictions. Lessee shall execute or obtain and deliver to Lessor, upon Lessor's request, such instruments, financing statements and assurances, as Lessor deems necessary or advisable for the protection or perfection of this Lease and Lessor's rights hereunder and will pay all costs incident thereto.

The term of this MOLA shall continue until the last to occur of the following: (i) the Schedule Term of each Schedule entered into by the parties has expired or been terminated, or (ii) the Contract has expired or been terminated. In the event of any termination or expiration of the Contract or termination of this MOLA, any provisions of the Contract and this MOLA as may be necessary to preserve the rights of Lessor or Lessee hereunder shall survive said termination or expiration.

4. Term of Schedule.

The term for each Schedule agreed to by a Lessee and Lessor under this MOLA shall commence on the date specified in the Lessee Certificate of Acceptance, as described in Section 10, . Unless earlier terminated as provided for herein, the Schedule shall continue for the number of whole months or other payment periods set forth in it (the "Schedule Term"). Specifically with respect to Hardware, under no circumstances shall the Schedule Term exceed seventy five percent (75%) of the economic life of the Hardware, nor shall the present value of the Rent Payments for the Hardware on the Schedule Commencement equal or exceed ninety percent (90%) of the value of the Hardware. Lessee shall provide confirmation that its lease of assets satisfies the two foregoing percentage limitations. The Schedule Term may be earlier terminated upon: (i) the non-appropriation of funds pursuant to Section 8 ("Appropriation of Funds") of this MOLA, (ii) an Event of Loss, (iii) an Event of Default by Lessee and Lessor's election to cancel the Schedule pursuant to Section 24 ("Remedies") of this MOLA, (iv) an event of default or other breach of this Agreement by Lessor and Lessee's election to cancel the Schedule pursuant to Section 24 ("Remedies") of this MOLA, or (v) as otherwise set forth herein.

5. Administration of MOLA.

- (a) When a prospective Lessee wishes to lease Assets under this MOLA, the prospect will submit its request directly to Lessor. Lessor shall apply the applicable pricing discounts as stated in Section 4 of the Contract or the price as agreed upon by Lessee and Lessor in the applicable Schedule, whichever is lower and submit the lease proposal to the prospective Lessee. If the prospective Lessee wishes to proceed to lease Assets based on the proposal, Lessor will negotiate the applicable Rent Payment, availability of Assets, and term of the Lease directly with the prospective Lessee.
- (b) With respect to Lessor's obligations under Section 5 of the Contract to report the sale and make payment of the DIR administrative fee as defined in that Section, all leasing activities in conjunction to this MOLA shall be treated as a "purchase sale." Notwithstanding treatment of this Lease as a "purchase

sale" as to the transaction between Lessor and DIR under the Contract, however, under no circumstances shall this MOLA be construed as creating anything other than a true lease and operating lease as stated in Section 2 ("Lease") hereof for the transaction(s) between Lessor and Lessee.

- (c) Upon agreement by Lessor and Lessee on the applicable Rent Payment, availability, Lease term, and the like, Lessee may issue a purchase order in the amount indicated on the applicable Schedule to Lessor for the Assets and reference the Contract number on the purchase order. Any pre-printed terms and conditions on the Schedule issued by Lessor (with respect to any item other than the specific Assets which are the subject of the Lease, the Schedule Term, and the Rent Payments), Lessor's order acknowledgement form or the like shall not be effective with respect to the lease of Assets hereunder. Rather, the terms and conditions of this MOLA shall control in all respects.
- (d) Until a Schedule is entered into by Lessor and a Lessee per the process set forth in this MOLA, neither DIR nor any Lessee is obligated under this MOLA to lease Assets from Lessor nor is Lessor obligated under this MOLA to lease Assets to a Lessee.

6. Rent Payments.

- (a) During the Schedule Term and any renewal terms agreed to by Lessee as specified herein, Lessee agrees to pay Lessor the Rent Payments set forth in the relevant Schedule for each Asset. Rent Payments shall be the amount equal to the Rent Payment amount specified in the Schedule multiplied by the amount of the total number of Rent Payments specified therein. Lessee shall pay Rent Payments in the amount and on the due dates specified by Lessor until all Rent Payments and all other amounts due under the Schedule have been paid in full. If the Schedule Commencement Date is other than the first day of a month, Lessee shall make an initial payment on the Schedule Commencement Date in an amount equal to one-thirtieth of the Rent Payment specified in the Schedule for each day from the Schedule Commencement Date (including the Schedule Commencement Date) through the last day of such month (including that day). For example, if a scheduled payment amount is \$3,000 and the Scheduled Commencement date is the 15th of the month, a payment of \$1,500 will be made. Under no circumstances shall the present value of the Rent Payments exceed ninety percent (90%) of the value of the Assets.
- (b) Any amounts received by Lessor from Lessee in excess of Rent Payments and any other sums required to be paid by Lessee shall be refunded to Lessee within ninety (90) calendar days. All Rent Payments shall be paid to Lessor at the address stated on the Schedule or any other such place as Lessor or its assigns may hereafter direct to Lessee. Lessee shall abide by Appendix A, Section 8J of the Contract in making payments to Lessor. Lessor's (including its assignees') remedy for late payments is as set forth in Chapter 2251, Texas Government Code.

Lessee acknowledges and agrees, except as specifically provided for in Section 8 ("Appropriation of Funds") of this MOLA and excluding claims resulting from a breach of Lessor's obligations as set forth in this MOLA or any Schedule or of Lessee's rights under Section 16 ("Quiet Enjoyment") hereof, that Lessee's obligation to pay Rent and other sums payable hereunder, shall not be abated, reduced or subject to offset or diminished as a result of any past, present or future claims Lessee may have against Lessor under this Lease. Notwithstanding the foregoing, nothing in this Section or any other provision of this MOLA shall affect or preclude Lessee from enforcing any and all other rights it may have against Lessor and its

assignees under this MOLA or otherwise affect any right Lessee may have against the manufacturer or licensor of the Assets or any party other than Lessor.

7. Liens.

Lessee shall keep the Assets free and clear of all levies, liens and encumbrances, and shall give Lessor immediate notice of any attachment or other judicial process affecting any item of the Assets.

8. Appropriation of Funds.

Lessee intends to continue each Schedule to which it is a party for the Schedule Term and to pay the Rent and other amounts due hereunder. Lessee reasonably believes that legally available funds in an amount sufficient to pay all Rent during the Schedule Term can be obtained. Lessee further intends to act in good faith to do those things reasonably and lawfully within its power to obtain and maintain funds from which the Rent may be paid. Notwithstanding the foregoing, in the event sufficient funds are not appropriated to continue the Schedule Term for any fiscal period (as set forth on the Schedule) of Lessee beyond the fiscal period first in effect at the commencement of the Schedule Term, Lessee may terminate the Schedule with regard to those of the Assets on the Schedule so affected. Lessee shall endeavor to provide Lessor with written notice sixty (60) days prior to the end of its current Fiscal Period confirming which Assets on the Schedule will be so affected by the termination. All obligations of Lessee to make Rent Payments due with respect to those Assets after the end of the Fiscal Period for which such termination applies will cease, all interests of Lessee in those Assets will terminate, Lessee shall surrender those Assets in accordance with Section 15 (“Option to Extend; Surrender of Assets”) of this MOLA, and the applicable Schedule shall be deemed amended. Lessee represents and warrants it has adequate funds to meet its obligations during the first fiscal period of the Schedule Term. Lessor and Lessee intend that the obligation of Lessee to make Rent Payments under this MOLA shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by Lessee, nor shall anything contained herein constitute a pledge of the general revenues, funds or monies of Lessee or the State of Texas, as applicable, beyond the fiscal period for which sufficient funds have been appropriated to make Rent Payments hereunder.

9. Assignment of Warranties.

Each Schedule is intended to be a true lease and operating lease as defined in Tex. Bus. & Comm. Code Article 2A. Lessor has acquired or will acquire the Assets in connection with this MOLA and hereby agrees to assign to Lessee any warranties provided to Lessor with respect to the Assets during the Term of the applicable Schedule, to the extent the warranties are assignable. Unless Lessor is the manufacturer or is otherwise liable under the Contract, Lessor shall not be liable for damages for any reason for any act or omission of the manufacturer of the Assets. Except as provided in Section 24 (“Remedies”) hereof, Lessee acknowledges that none of the following shall relieve Lessee from the obligations under this MOLA during the Schedule Term unless due to Lessor’s acts or omissions: (i) Lessee’s dissatisfaction with any unit of the Assets, (ii) the failure of an Asset to remain in useful condition for the Schedule Term, or (iii) the loss or right of possession of the Assets (or any part thereof) by Lessee. Lessee shall have no right, title or interest in or to the Assets except the right to use the same upon the terms and conditions herein contained. The Assets shall remain the sole and exclusive personal property of Lessor and not be deemed a fixture whether or not it becomes attached to any real property of Lessee.

10. Inspection and Acceptance.

Promptly upon delivery of the Assets, Lessee will inspect and test the Assets. No later than twenty (20) business days following its date of delivery (or, if the Assets are part of a system, the date of last delivery of the Assets comprising the system), Lessee will execute and deliver either (i) a Certificate of Acceptance, or (ii) written notification of any defects in the Assets. If Lessee has not given notice within such time period, the Assets shall be deemed accepted by Lessee as of the twentieth (20th) business day, as described above. In the event Lessee does not accept the Assets, Vendor will promptly remove the Assets from Lessee's premises and deliver conforming Assets within ten (10) business days thereafter. If conforming Assets are not delivered within that timeframe, Lessee may terminate the Schedule on written notice to Lessor. Lessee's acceptance of any Assets shall not be deemed to waive any rights Lessee may have against the manufacturer or licensor, as applicable. Lessor and its assigns, including either of their respective agents shall have the right to inspect the Assets upon reasonable notice to Lessee and during normal business hours provided that anyone who does so has first executed a non-disclosure agreement acceptable to Lessee.

11. Installation and Delivery; Use of Assets; Repair and Maintenance.

- (a) Except as set forth in this MOLA, all transportation, delivery, installation, and de-installation costs associated with the Assets shall be borne by Lessee. Lessee shall provide a place of installation for the Assets, which conforms to the requirements of the manufacturer and Lessor.
- (b) Subject to the terms hereof, Lessee shall be entitled to use the Assets for the conduct of its business in compliance with all laws, rules, and regulations of the jurisdiction in which the Assets are located. Lessee shall not use or permit the use of the Assets for any purpose for which, according to the specification of the manufacturer, the Assets are not designed.
- (c) Lessee, at its expense, shall take good and proper care of the Hardware and make all repairs and replacements necessary to maintain and preserve the Hardware and keep the Hardware in good order and condition (reasonable wear and tear excepted). Unless Lessor shall otherwise consent in writing, Lessee shall, at its own expense, enter into and maintain in force a maintenance agreement covering each Hardware unit. Lessee shall furnish Lessor with a copy of such agreement, upon request. Lessee shall not make any alterations, additions, or improvements, or add attachments to the Hardware without the prior written consent of Lessor, except for additions or attachments to the Hardware leased by Lessee from Lessor or purchased by Lessee from the manufacturer of the Hardware (or an authorized distributor of the manufacturer) or any other person approved by Lessor. Lessee shall affix on a prominent place on each item of Hardware any tags, decals or labels supplied by Lessor to Lessee which describe the ownership of the Hardware. Subject to the provisions of Section 15(b) under "Option to Extend; Surrender of Hardware and Software Assets," Lessee agrees to restore the Hardware to Return Condition prior to its return to Lessor.

12. Relocation of Hardware and Software.

Except as set forth on the applicable Schedule, Lessee shall at all times keep the Hardware and Software within its exclusive possession and control. Lessee may move the Hardware or Software to another location of Lessee within the continental United States, provided Lessee is not in default on any Schedule and pays all costs associated with such relocation. If such relocation requires Lessor's prior written consent, Lessee

shall obtain such consent prior to relocating the Hardware or Software, as applicable, which consent Lessor shall not unreasonably withhold. Notwithstanding the foregoing, in those situations where consent is otherwise required, Lessee may move the Hardware or Software to another location within Texas without notification to, or the consent of, Lessor; provided, however, that not later than December 31 of each calendar year, Lessee shall provide Lessor a written report detailing the total amount of Hardware and Software at each location of Lessee as of that date, and the complete address for each location. Lessor shall make all filings and returns for property taxes due with respect to the Hardware and Software, and Lessee agrees that it shall not make or file any property tax returns, including information returns, with respect to the Hardware and Software.

13. Taxes.

Unless otherwise agreed by the parties on the applicable Schedule, Lessor will pay any Imposition or file any forms or returns with respect thereto. Lessee shall, when billed, and with copy of Imposition invoice(s) with respect to Assets specified on the Schedule, reimburse Lessor for such payment. For purposes of this paragraph "Impositions" means all taxes, including personal property taxes and fees, without pro-ration as described in the Financial Disclosure Summary Work Sheet (Attachment 1) hereafter imposed, assessed or payable during the term of the relevant Schedule including any extension thereof. Because the reimbursement date for an Imposition may occur after the expiration or termination of the term of the relevant Schedule, it is understood and agreed that Lessee's liability to reimburse for such Impositions shall survive the expiration or termination of the term of the relevant Schedule.

14. Ownership.

The Hardware and Software shall at all times be and remain the sole and exclusive property of Lessor, subject to the parties' rights under any applicable software license agreement. Lessee shall have no right, title or interest in the Hardware except a leasehold interest as provided for herein. Lessee agrees that the Hardware shall be and remain personal property and shall not be so affixed to realty as to become a fixture or otherwise to lose its identity as the separate property of Lessor. Upon Lessor's request, Lessee will enter into agreements necessary to ensure that the Hardware remains the personal property of Lessor.

15. Option to Extend; Surrender of Hardware and Software Assets.

- (a) Not less than ninety (90) days prior to the expiration of the initial Schedule Term, Lessor shall notify Lessee in writing of options to extend the Schedule for continued use of the Hardware or Software specified in that Schedule. If Lessee desires to exercise any of the options offered by Lessor (and provided that, with respect to Hardware, any extension does not exceed seventy five percent (75%) of its economic life), Lessee shall give Lessor irrevocable written notice of the option Lessee intends to exercise at least forty-five (45) days before the expiration of such Schedule Term. In the event the Lease is extended for some but not all of the Hardware and Software specified on a Schedule, the Schedule shall be updated to reflect those changes. At the end of the Schedule Term (as well as with respect to any Hardware and Software not extended as described immediately above), Lessee will surrender and return the Hardware and Software to Lessor in compliance with Section 15(b) below.
- (b) Except as specified otherwise herein, upon the expiration, early termination as provided herein, or final termination of the Schedule, Lessee, at its cost and expense, shall promptly return the Hardware, freight

prepaid, to Lessor in good repair and working order, with reasonably unblemished physical appearance and with no defects which affect the operation or performance of the Hardware (“Return Condition”), reasonable wear and tear excepted. If the Hardware is not in Return Condition, Lessee shall, at its option, either restore the Hardware (at Lessee’s cost) to Return Condition or pay for the Hardware at its Stipulated Loss Value if the Hardware is not reasonably repairable. Lessee shall arrange and pay for the de-installation and packing of the Hardware in suitable packaging, and return the Hardware to Lessor at the location specified by Lessor; provided, however, that such location shall be within the United States no farther than 500 miles from the original Lessee delivery location, unless otherwise agreed to on the applicable Schedule. At its option and expense, Lessor shall have the right to supervise and direct the preparation of the Hardware for return. If, upon termination or expiration of the Schedule for any reason, Lessee fails or refuses to return to Lessor a Hardware unit or Software program specified in that Schedule or to pay Lessor the Stipulated Loss Value for a Hardware unit, Lessee shall remain liable for Rent Payments for that unit or program up to the date on which the unit or program is returned to the address specified by Lessor (or on which Lessee has paid Lessor the Stipulated Loss Value). In such event and specifically with respect to the Hardware, Lessor shall also have the right to enter Lessee’s premises or any other premises where the Hardware may be found upon reasonable written notice to the Lessee and during normal business hours, and subject to Lessee’s reasonable safety and security requirements to take possession of and to remove the Hardware, at Lessee’s sole cost and expense, without legal process. Lessee understands that it may have a right under law to notice and a hearing prior to repossession of the Hardware. However, as an inducement to Lessor to enter into a transaction, but only to the extent that Lessee, if a state agency, has statutory authority to do so, Lessee hereby expressly waives all rights conferred by existing law to notice and a hearing prior to such repossession by Lessor or any officer authorized by law to effect repossession and hereby releases Lessor from all liability in connection with such repossession except as provided by Paragraph b. Without waiving the doctrines of sovereign immunity and immunity from suit and to the extent authorized by the Constitution and laws of the State of Texas, Lessee’s obligation to return Hardware may, at Lessor’s option, be specifically enforced by Lessor.

16. Quiet Enjoyment.

During the Schedule Term, Lessor shall not interfere with Lessee’s quiet enjoyment and use of the Assets as long as an Event of Default (as hereinafter defined in Section 23 (“Default”) of the MOLA) has not occurred.

17. Warranties regarding the Assets.

Lessor acknowledges that warranties made by the manufacturer or licensor of the Assets, if any, inure to the benefit of Lessee. Lessee agrees to pursue any warranty claim directly against such manufacturer or licensor of the Assets and shall not pursue any such claim against Lessor.

18. No Warranties by Lessor regarding the Assets.

Except as set forth in the Contract, Lessee acknowledges that Lessor is not the manufacturer or licensor of the Hardware or Software Assets. Lessee agrees that Lessor makes no representations or warranties of whatsoever nature, directly or indirectly, express or implied, as to the suitability, durability, fitness for use, merchantability, condition, or quality of the Hardware or Software Assets or any unit thereof. Except to the

extent Lessor is the manufacturer or licensor of the Hardware or Software Assets, Lessee specifically waives all right to make claim against Lessor for breach of any warranty of any kind whatsoever; and with respect to Lessor, Lessee leases the Hardware and Software “as is”. Except to the extent Lessor is the manufacturer or licensor of the Hardware or Software Assets, Lessor shall not be liable to Lessee for any loss, damage, or expense of any kind or nature caused directly or indirectly by any Hardware or Software leased hereunder, or by the use or maintenance thereof, or by the repairs, service or adjustment thereto or any delay or failure to provide any thereof, or by any interruption of service or loss of use thereof, or for any loss of business or damage whatsoever and howsoever caused. Lessor agrees to assign to Lessee, upon Lessee’s request therefor, any warranty of a manufacturer or licensor or seller relating to the Hardware and Software that may have been given to Lessor.

19. Risk of Loss.

Commencing upon delivery and continuing throughout the Schedule Term, Lessee shall bear the entire risk of loss or damage in respect to the Hardware specified on the Schedule, whether partial or complete, from any cause whatsoever. Lessee shall promptly notify Lessor regarding any Event of Loss. Upon any Event of Loss, Lessee shall, at its option: (a) immediately repair the affected Hardware so that it is in good condition and working order, (b) replace the affected Hardware with identical equipment of at least equal value, in good condition and repair, and transfer clear title thereto to Lessor, or (c) to the extent permitted by law, pay to Lessor, within thirty (30) days of the Event of Loss, an amount equal to the Stipulated Loss Value for such affected Hardware unit, plus any other unpaid amounts then due under the Schedule. If an Event of Loss occurs as to part of the Hardware for which the SLV is paid, a prorated amount of each Rent Payment shall abate from the date the SLV payment is received by Lessor. The SLV shall be an amount equal to the sum of all future Rent Payments from the last Rent Payment date to the end of the Schedule Term with such Rent Payments discounted to present value at the like-term Treasury Bill rate for the remaining Schedule Term in effect on the date of such Event of Loss, or if such rate is not permitted by law, then at the lowest permitted rate.

In the event of a governmental taking of a Hardware unit for an indefinite period or for a stated period, which does not extend beyond the Schedule Term, all obligations of Lessee with respect to such Hardware unit (including payment of Rent) shall continue. So long as Lessee is not in default hereunder, Lessor shall pay to Lessee all sums received by Lessor from the government by reason of such taking.

20. Representations and Warranties of Lessee.

Lessee represents and warrants for the benefit of Lessor and its assigns, and Lessee will provide an opinion of counsel to the effect that, as of the time of execution of the MOLA and each Schedule between Lessor and Lessee:

- (a) Lessee is either a Texas state agency or Texas local government, as defined in Section 2054.003, Texas Government Code (including institutions of higher education as defined in Section 2054.003 (8-a), Texas Government Code) or a state agency purchasing from a DIR contract through an Interagency Agreement, as authorized by Chapter 771, Texas Government Code. Lessee has made an independent legal and management determination to enter into this transaction;

- (b) Each Schedule executed by Lessee has been duly authorized, executed and delivered by Lessee and constitutes a valid, legal and binding true lease and operating lease agreement of Lessee, enforceable in accordance with its terms;
- (c) No approval, consent or withholding of objection is required from any federal or other governmental authority or instrumentality with respect to the entering into or performance by Lessee of any Schedule between Lessor and Lessee;
- (d) The entering into and performance of any Schedule between Lessor and Lessee, this MOLA or any Schedule will not violate any judgment, order, law or regulation applicable to Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance upon assets of Lessee or on the Hardware or Software leased under any Schedule between Lessor and Lessee pursuant to any instrument to which Lessee is a party or by which it or its assets may be bound;
- (e) To the best of Lessee's knowledge and belief, there are no suits or proceedings pending or threatened against or affecting Lessee, which if determined adversely to Lessee will have a material adverse effect on the ability of Lessee to fulfill its obligations under the MOLA or any Schedule between Lessor and Lessee;
- (f) The use of the Assets is essential to Lessee's proper, efficient and economic operation, and Lessee will sign and provide to Lessor upon execution of each Schedule between Lessor and Lessee hereto written certification to that effect; and
- (g) Lessee represents and warrants that (i) It has authority to enter into any Schedule under this MOLA, (ii) the persons executing a Schedule have been duly authorized to execute the Schedule on Lessee's behalf, (iii) all information supplied to Lessor is true and correct, including all credit and financial information and (iv) it is able to meet all its financial obligations, including the Rent Payments hereunder.

21. Representation and Warranties of DIR.

DIR represents and warrants for the benefit of Lessor and its assigns, and DIR will provide an opinion of counsel to the effect that, as of the time of execution of the MOLA:

- (a) DIR is a State agency as defined in Section 2251.001, Texas Government Code. DIR has not provided Lessee or Lessor with any legal or management advice regarding the MOLA or any Schedule executed pursuant thereto;
- (b) This MOLA has been duly authorized, executed and delivered by DIR and constitutes a valid, legal and binding agreement of DIR, enforceable in accordance with its terms;
- (c) No approval, consent or withholding of objection is required from any federal or other governmental authority or governmental authority or instrumentality with respect to the entering into or performance by DIR of this MOLA;

- (d) The entering into and performance of the MOLA does not violate any judgment, order, law or regulation applicable to DIR or result in any breach of, constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance upon assets of DIR or on the Hardware or Software pursuant to any instrument to which DIR is a party or by which it or its assets may be bound;
- (e) To the best of DIR's knowledge and belief, there are no suits or proceedings pending or threatened against or affecting DIR, which if determined adversely to DIR will have a material adverse effect on the ability of DIR to fulfill its obligations under the MOLA;
- (f) DIR is authorized to charge and collect the administrative fee as set forth within Section 5 of the Contract; and
- (g) Lessor's payment of the administrative fee to DIR shall not constitute an illegal gratuity or otherwise violate Texas law.

22. Representations and Warranties of Lessor.

Lessor represents and warrants for the benefit of DIR and each Lessee:

- (a) Lessor is an entity authorized and validly existing under the laws of its state of organization, is authorized to do business in Texas, and is not in default as to taxes owed to the State of Texas and any of its political subdivisions;
- (b) The MOLA and each Schedule executed in conjunction to this MOLA have been duly authorized, executed and delivered by Lessor and constitute valid, legal and binding agreements of Lessor, enforceable with respect to the obligations of Lessor herein in accordance with their terms;
- (c) No approval, consent or withholding of objection is required from any federal or other governmental authority or instrumentality with respect to the entering into or performance by Lessor of this MOLA or any Schedule;
- (d) The entering into and performance of the MOLA or any Schedule will not violate any judgment, order, law or regulation applicable to Lessor or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance upon the assets of Lessor, including the Hardware or Software leased under the MOLA and Schedules thereto, pursuant to any instrument to which Lessor is a party or by which it or its assets may be bound;
- (e) To the best of Lessor's knowledge and belief, there are no suits or proceedings pending or threatened against or affecting Lessor, which if determined adversely to Lessor will have a material adverse effect on the ability of Lessor to fulfill its obligations under the MOLA or any Schedule;
- (f) Lessor acknowledges that DIR and any Lessee that is a state agency, as government agencies, are subject to the Texas Public Information Act, and that DIR and Lessees that are state agencies will comply with such Act, including all opinions of the Texas Attorney General's Office concerning this Act.

23. Default.

Lessee shall be in default under a Schedule upon the occurrence of any one or more of the following events (each an “Event of Default”): (a) nonpayment or incomplete payment by Lessee of Rent or any other sum payable on its due date; (b) Lessee’s material breach of this MOLA, any Schedule, or any applicable software license agreement, which is not cured within thirty (30) days after written notice thereof from Lessor; (c) Lessee’s filing of any proceedings commencing bankruptcy or the taking of other similar action by Lessee under any state insolvency or similar law, (d) the filing of any involuntary petition against Lessee or the appointment of any receiver not dismissed within sixty (60) days from the date of said filing or appointment; (e) subjection of a substantial part of Lessee’s property or any part of the Hardware to any levy, seizure, assignment or sale for or by any creditor or governmental agency; or (f) any representation or warranty made by Lessee in this MOLA, any Schedule or in any document furnished by Lessee to Lessor in connection therewith or with the acquisition or use of the Assets being or becoming untrue in any material respect.

24. Remedies.

(a) Lessor’s Remedies.

- i. Upon the occurrence of an “Event of Default,” Lessor may, in its sole discretion, do any one or more of the following:
 - A. after giving thirty (30) days prior written notice to Lessee of the Event of Default, during which time Lessee shall have the opportunity to cure such Default, terminate any or all Schedules executed by Lessor and the defaulting Lessee;
 - B. without Lessee and DIR waiving the doctrines of sovereign immunity and immunity from suit, and to the extent allowed by the laws and Constitution of the State of Texas, Lessor may proceed by appropriate court action to enforce the performance of the terms of the Schedule;
 - C. after giving thirty (30) days prior written notice to Lessee of the Event of Default, during which time Lessee shall have the opportunity to cure such Default, and whether or not the Schedule is terminated, take possession of the Hardware and Software wherever located, without additional demand, liability, court order or other process of law. To the extent permitted by Texas law, Lessee hereby authorizes Lessor, its assigns or the agents of either to enter upon the premises where such Hardware or Software is located or cause Lessee, and Lessee hereby agrees, to return such Hardware and Software to Lessor in accordance with the requirements of Section 15 (“Option to Extend; Surrender of Hardware and Software Assets”) hereof;
 - D. by notice to Lessee, and to the extent permitted by law, declare immediately due and payable and recover from Lessee, as liquidated damages and as a remedy, the sum of:
 - I. the present value of the Rent owed from the earlier of the last date of payment by Lessee or the date Lessor obtains a judgment against Lessee until the end of the Schedule Term plus, if the Hardware is not returned to or repossessed by Lessor, the present value of the

Stipulated Loss Value of the Hardware at the end of the Schedule Term, each discounted at a rate equal to the rate used by Lessor for business opportunity analysis;

- II. without Lessee and DIR waiving the doctrines of sovereign immunity and immunity from suit, and to the extent allowed by the laws and Constitution of the State of Texas, costs, fees (including all attorneys' fees and court costs) and expenses associated with collecting said sums; and
- III. interest on (I) from the date of default at 1½% per month or portion thereof (or the highest rate allowable by law, if less) and, on (II) from the date Lessor incurs such fees, costs or expenses.

ii. Upon return or repossession of the Hardware, Lessor may, if it so decides in its sole discretion, upon notice to Lessee, use reasonable efforts to sell, re-lease or otherwise dispose of such Hardware, in such manner and upon such terms as Lessor may determine in its sole discretion, so long as such manner and terms are commercially reasonable. Upon disposition of the Hardware, Lessor shall credit the Net Proceeds (as defined below) to the damages paid or payable by Lessee. Proceeds upon sale of the Hardware shall be the sale price paid to Lessor less the Stipulated Loss Value in effect as of the date of default. Proceeds upon a re-lease of the Hardware shall be all rents to be received for a term not to exceed the remaining Schedule Term, discounted to present value as of the commencement date of the re-lease at Lessor's current applicable debt rate. Without Lessee and DIR waiving the doctrines of sovereign immunity and immunity from suit, and to the extent allowed by the laws and Constitution of the State of Texas, "Net Proceeds" shall be the Proceeds of sale or re-lease as determined above, less all costs and expenses incurred by Lessor in the recovery, storage and repair of the Hardware, in the remarketing or disposition thereof, or otherwise as a result of Lessee's default, including any court costs and attorney's fees and interest on the foregoing at eighteen percent (18%) per annum or the highest rate allowable by law, if less, calculated from the dates such costs and expenses were incurred until received by Lessor. Lessee shall remain liable for the amount by which all sums, including liquidated damages, due from Lessee exceeds the Net Proceeds. Net Proceeds in excess thereof are the property of and shall be retained by Lessor.

iii. No termination, repossession or other act by Lessor in the exercise of its rights and remedies upon an Event or Default by Lessee shall relieve Lessee from any of its obligations hereunder. No remedy referred to in this Section is intended to be exclusive, but each shall be cumulative and in addition to any other remedy referred to above or otherwise available to Lessor at law or in equity.

iv. Neither DIR nor non-defaulting Lessees shall be deemed in default under the MOLA or Schedules because of the default of a particular Lessee. Lessor's remedies under this Section 24 shall not extend to DIR and those non-defaulting Lessees.

(b) Lessee's Remedies. Anything herein to the contrary notwithstanding, Lessee shall have all rights provided under Tex. Bus. & Comm. Code § 2A.508 through § 2A.522, including without limitation, the right to cancel a Schedule and recover damages from Lessor in the event of nonperformance of or other default by Lessor hereunder.

- (c) Each party agrees that any delay or failure by the other party to enforce that party's rights under this MOLA or a Schedule does not prevent that party from enforcing its rights at a later time.

25. Notices and Waivers.

- (a) All notices relating to this MOLA shall be delivered to DIR or Lessor as specified in Section 6 of the Contract, or to another representative and address subsequently specified in writing by the appropriate parties hereto. All notices relating to a Schedule shall be delivered in person to an officer of Lessor or Lessee or shall be given by certified or registered mail or overnight carrier to Lessor or Lessee at its respective address shown on the Schedule or to another address subsequently specified in writing by the appropriate parties thereof. DIR, Lessee, and Lessor intend and agree that a photocopy or facsimile of this MOLA or a Schedule and all related documents, including but not limited to the Acceptance Certificate, with their signatures thereon shall be treated as originals, and shall be deemed to be as binding, valid, genuine, and authentic as an original signature document for all purposes.
- (b) A waiver of a specific default shall not be a waiver of any other or subsequent default. No waiver of any provision of this MOLA or a provision of a Schedule shall be a waiver of any other provision or matter, and all such waivers shall be in writing and executed by an officer of the waiving party. No failure on the part of a party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof.

26. Assignment by Lessor; Assignment or Sublease by Lessee.

- (a) Upon thirty (30) days advance written notice to Lessee and provided that any such assignee expressly assumes Lessor's obligations under this MOLA and each Schedule, Lessor may (i) assign all or a portion of Lessor's right, title and interest in this MOLA and/or any Schedule; (ii) grant a security interest in the right, title and interest of Lessor in the MOLA, any Schedule and/or any Asset; and/or (iii) sell or transfer its title and interest as owner or licensor of the Hardware and Software and/or as Lessor under any Schedule; and DIR and each Lessee leasing Hardware under the MOLA understand and agree that Lessor's assigns may each do the same (hereunder collectively "Assignment"). All such Assignments shall be subject to each Lessee's rights under the Schedule(s) executed between it and Lessor and to DIR's rights under the MOLA. Each Lessee leasing Assets through Schedules under this MOLA and DIR hereby consent to such Assignments and agree to execute and deliver promptly such acknowledgements, Opinions of Counsel and other instruments reasonably requested to effect such Assignment. Lessor shall remain liable for performance under the MOLA and any Schedule(s) executed hereunder to the extent Lessor's assigns do not perform Lessor's obligations under the MOLA and Schedule(s) executed hereunder. Upon any such Assignment, all references to Lessor shall also include all such assigns, whether specific reference thereto is otherwise made herein.
- (b) Lessee will not sell, assign, sublet, pledge or otherwise encumber, or permit a lien to exist on or against any interest in this MOLA or the Assets without Lessor's prior written consent except otherwise permitted under this MOLA; provided, however, that no such prior written consent from Lessor is necessary in the event of a legislative mandate to transfer the MOLA to another state agency.

27. Delivery of Related Documents.

For each Schedule, Lessee will provide the following documents and information satisfactory to Lessor: (a) Certificate of Acceptance (if Acceptance has taken place); (b) Opinion of Counsel; (c) Financial Statements; (d) incumbency certificate; and (e) other documents specified in the applicable Schedule as being reasonably required by Lessor.

28. Miscellaneous.

- (a) Prior to delivery of any Assets, the obligations of Lessor hereunder shall be suspended to the extent that it is hindered or prevented from performing because of causes beyond its control. In such event, the obligation of Lessee to commence Rents for such Assets shall also be suspended.

- (b) Lessor and Lessee acknowledge that there are no agreements or understanding, written or oral, between them with respect to the Assets, other than as set forth in this MOLA, including the Contract, and in each Schedule to which Lessee is a signatory party. Lessor and Lessee further acknowledge that this MOLA, including the Contract, and each Schedule to which Lessee is a party contain the entire agreement between Lessor and Lessee and supersedes all previous discussions and terms and conditions of any purchase orders issued by Lessee, order acknowledgement and other forms issued by Lessor, and the like. DIR and Lessor acknowledge that there are no agreements or understandings, written or oral, between them other than as set forth in this MOLA and the Contract and that both contain the entire agreement between them. The terms and conditions of this MOLA may be amended only by written instrument executed by Lessor and DIR. The terms of a Schedule may only be amended in a writing signed by both Lessee and Lessor.

1. **WRITTEN QUESTIONS AND OFFICIAL ANSWERS**

- 1) **Question:** The Reference Deadline (On Bid Package 4) is stated as "No later than December 15, 2016 - 2:00 pm CT" at the top of the form. This date conflicts with the 12/21 date documented on page 9 of the RFO. These discrepancies appear to be "holdovers" from a previous version of the RFO form. Can you provide an updated version of Bid Package 4 so that vendors can proceed with sending the reference request to our customers?
Answer: Please see Addendum #1.
- 2) **Question:** The first full paragraph on the form (Bid Package 4) refers twice to Apple Branded Products and Related Services. "These discrepancies appear to be "holdovers" from a previous version of the RFO form. Can you provide an updated version of Bid Package 4 so that vendors can proceed with sending the reference request to our customers?
Answer: Please see Addendum #1.
- 3) **Question:** On page 9 of the main RFO document (Bid Package 1), the schedule states that the optional Vendor Conference would be held at 10:00 a.m. CT on Tuesday, December 6.
Answer: Please see Addendum #1.
- 4) **Question:** Section 3.3 of Bid Package 1 states Respondent's references are due December 21st, 2pmC ST. However, Bid Package 4 page 2 states the references are due no later than December 15th, 2pm CST. Can you please confirm the reference due date?
Answer: Please see Addendum #1.
- 5) **Question:** Is the TX DIR willing to accept the terms and conditions currently active on contract DIR-SDD-2030 on the new contract?
Answer: No. As stated in Section 2.4.2. of Bid Package 1, please provide any proposed changes including exceptions in Item 17 of Exhibit A for further consideration. If Respondent fails to note any exception, Respondent will not be allowed to request an exception after the close of the RFO.
- 6) **Question:** On the reference form (Bid Package 4), I listed all the Class codes. Is that what is intended for that field under products/services?
Answer: Class codes are not required for this field.

Addendum #2

- 7) **Question:** On the reference form (Bid Package 4), we will be listing resellers on the contract. Are they to be listed on the reference form under subcontractors?
Answer: No. Respondent needs to indicate if the Respondent was the primary contractor or subcontractor for the reference. List of the resellers should be provided in Item 5 of Exhibit B in Bid Package 1.
- 8) **Question:** May I send the reference form (Bid Package 4) to DIR for references?
Answer: Yes, respondents should send the reference forms to any customers that they have provided CA branded or Lenovo branded products and related services.
- 9) **Question:** For the current RFO response, will the manufacturer's webpage for VPAT be acceptable to provide this same web link that has been provided for the current contract, along with the completed ICT Accessibility Policy Assessment (Bid Package 5)?
Answer: Yes.
- 10) **Question:** In section 3.5.1, subsection 3)a) (Bid Package 1), the RFO states: a) "Respondents responding to this RFO for CA branded and/or Lenovo branded products must supply a signed (by hand or digital) letter from the manufacturer (CA Technologies, Inc. and/or Lenovo (United States), Inc.) certifying that Respondent is an authorized reseller of CA branded and/or Lenovo products to DIR customers, and may sell such products under the terms and conditions of the DIR Contract, in support of Respondent's response." Is there a minimum level of authority required (for example, Vice President), or will a signed letter by a member of these companies' Channel Sales Organization suffice?
Answer: No
- 11) **Question:** Will a simple statement suffice (on Manufacturer Reseller Letter): "Company ABC is authorized to sell Lenovo's full portfolio of products." for example?
Answer: Yes
- 12) **Question:** We would like to leave the lease language (Bid Packages 9 and 10) as originally negotiated on the existing DIR?
Answer: Please see answer to Question #5.
- 13) **Question:** Section 5 of Bid Packages 9 and 10, the current arrangement has Lenovo handling the administrative fee regardless of how the equipment is procured (lease or no lease). Is the DIR open to leaving this existing structure that is currently in place?
Answer: Please see answer to Question #5.
- 14) **Question:** Section 19 of Bid Packages 9, the stipulated loss value does not appear to include any purchase option amount due under the lease. Since the equipment is presumably a total loss and

Addendum #2

lessee is not able to return wouldn't the stipulated loss value need to also include the in place value of the product? Is the intent to include the purchase option of the equipment? The lessor cannot take a financial loss due to destruction of the equipment during the lease term.

Answer: Please see answer to Question #5.

15) **Question:** Section 26, of Bid Packages 9 and 10, what is the intent of adding the new sentence at the beginning of this section? The Lessor already remains liable for its obligations notwithstanding a financial assignment of the lease.

Answer: Please see answer to Question #5.

16) **Question:** Bid Package 1, Section 3.5.1 includes the following language: "3) Dealer or reseller who will sell directly to Customers through a Co-op Contract. a) Respondents responding to this RFO for CA branded and/or Lenovo branded products must supply a signed (by hand or digital) letter from the manufacturer (CA Technologies, Inc. and/or Lenovo (United States), Inc.) certifying that Respondent is an authorized reseller of CA branded and/or Lenovo products to DIR customers, and may sell such products under the terms and conditions of the DIR Contract, in support of Respondent's response. " Does this same requirement apply to the third party products?

Answer: No. Please see Section 2.1(C) of Bid Package 1, which states that "by listing a Third Party Manufacturer Brand and proposing a Pricing Discount Percent (%) off MSRP, Respondent attests that it has authorization from the manufacturer to resell the products on a resulting DIR contract. At any time during the contract term, DIR may require Vendor to provide a Letter of Authorization from the manufacturer stating that Respondent has the authorization to sell that manufacturer's products and/or that the Respondent has the certifications to provide the related services on a DIR contract."

17) **Question:** Do you anticipate that most Lenovo devices will be paired with CA software solutions? If not, are there other reasons why these two OEMs are linked together on this RFP that we should understand?

Answer: DIR does not anticipate that the Lenovo devices will be paired with the CA solutions. Respondent can propose either brand or both brands in its response.

Quality of the Products and Services

1. (a) Have you purchased any CA Technologies (CA) and/or Lenovo branded products and related services from this Vendor in past two years?

Yes ___ No ___

Why is DIR requesting information on vendor accessibility policy?

- **Texas agencies and institutions of higher education are required to procure or develop accessible offerings. Gaps in vendor internal governance systems and leadership commitment inhibit the ability to meet these standards for their products / services.**
 - Making vendor's IT offerings accessible to people with disabilities requires commitment in many areas of an organization. PDAA data helps DIR better understand the commitment and progress by vendors in making their offerings accessible.
- **Accessibility policy maturity provides insight into vendors' ability to develop accessible commercial off the shelf (COTS) and non-COTS offerings, which can increase the confidence in accuracy of vendor's accessibility documentation.**
 - A mature accessibility policy implementation signals that a vendor is fully aware of the implications of accessibility requirements and is prepared to resolve any issues in a timely manner.

Bid Package 5 – Vendor Accessibility Policy Assessment

How will this information be used?

- The completed form will establish a baseline for where a vendor stands with regard to its accessibility policy.
 - illustrates the depth and maturity of the vendor’s support for accessibility policy and practices as illustrated via the PDAA Maturity Model.
- The questionnaire may also be included in future solicitations so that progress can be assessed.
- Vendors can use the results as a roadmap for implementing their organization-wide ICT accessibility initiatives, which will help ensure that programs and processes are in place to facilitate the development of future accessible offerings.

Bid Package 6 - Voluntary Product Accessibility Template (VPAT)

- The Respondents that are selected for negotiation must submit completed VPAT form or links to complete VPATs located on manufacturer websites prior to an award for the proposed product or product family.
- Instructions on how to complete a VPAT® can be found on [DIR's website](#)

Bid Package 6 - Voluntary Product Accessibility Template (VPAT)

What is a VPAT?

- A standardized template used in the industry to document product accessibility conformance to U.S. Section 508
 - manufacturer-generated, product-specific document using the [VPAT template](#)
 - provides relevant and specific information about compliance with Section 508 Standards
- Helps procurement and contracting officials make preliminary assessments of the degree of accessibility compliance in a vendor's EIR.
- Allows procurement staff and others to evaluate accessibility compliance consistently across multiple vendors.

The VPAT Form

- VPAT documents are formal statement of compliance by your organization.
- VPATs should be filled out by an individual that has knowledge of the product accessibility.
- VPAT claims should be backed by an audit trail.
- VPAT claims should be based on the demonstrable accessibility of a product. (i.e., accessibility testing).
- Inaccurate claims of compliance could generate end user complaints under the Americans with Disabilities Act.
