

# Join Our Cybersecurity Tabletop Exercise!

Virtually Facilitated  
Tuesday, October 13, 2020, 11-12:30 pm CST

## What Is This About?

A facilitated tabletop discussion on a cybersecurity incident. This scenario focused discussion will cover the potential impacts of a computer security incident impacting a local community.

## Who Should Attend?

Members of the local jurisdictions' information security, technology, emergency management, legal, communications, executive management, and elected officials are welcome to attend.

## No Cost Registration!

<https://my.teex.org/TeexPortal/Default.aspx?MO=mCourseCatalog&D=EC&C=CYB200&S=7>

You must create an account if you do not already have a TEEX's student login in order to register.

## Questions?

Email [DIRsecurity@dir.texas.gov](mailto:DIRsecurity@dir.texas.gov)

## What Are the Topics?

- How a community can respond to a cyber security incident.
- An overview of potential impacts of a cyber incident on your community.
- Why whole community involvement is critical to the successful response of an incident.
- Discussions of threats your organization could face and available support resources.
